Man Killed, Two Missing In Navy Radar Ship Fire

Oil Blaze Rages For Five Hours

NEW YORK, Nov. 13 (AP)—An oil fire raged with blowtorch heat aboard a Navy radar warning ship 125 miles from New York today. A crewman was burned fatally, two were badly hurt and two more were missing.

For five hours the blaze waxed and waned in the midships section of the Searcher, a wartime Liberty ship turned into a floating radar post at a cost of four million dollars.

Navy and Coast Guard ships and planes sped to the scene, in the Atlantic east of Cape May, N.J. The injured were taken off and flown to St. Albans Naval Hospital here.

One died a few minutes after arrival.

Fuel Tank Explodes

Tugs were dispatched to tow the seared and crippled ship to harbor.

The fire burst out of the ship's starboard fuel tank with explosive force at 6 a.m., just as dawn was breaking across the gentle Atlantic swells.

"There was black smoke billowing above the ship, and I could see flames shooting out of the starboard side," said the pilot of a rescue plane, Lt. Cmdr. William E. Chapline. "The paint was all burned off near the engine room, an evidence of the intense heat."

The two missing men were thought to have been trapped in the engine room, flooded in a desperate maneuver to stem the advancing flames.

Ship Left Without Power

Another explosion jolted the vessel and renewed the fury of the blaze for a time.

The Searcher, crammed with costly radar equipment and sporting a weird decoration of odd-shaped antennae, was left wallowing in the swells without power.

It is one of a number of radar ships stationed off the Atlantic seaboard to watch for unidentified planes, and carries a crew of nearly 200 officers and men.

Father Attempts To Kill Sons With Sleeping Tablets

VAN NUYS, Calif., Nov. 13 (AP)—A man who said he has "for six years been both mother and father to those kids," was jailed today accused of trying to kill his two young sons with overdoses of sleeping tablets.

Peter Ramsey Stittick, 39, a drafting engineer who told police his wife has been a mental patient since 1949, was jailed on suspicion of assault with intent to commit murder.

"I must have been out of my mind to have done such a thing," officers quoted the father.

Police said Miss Clara Morgan, a friend of Stittick, arrived to visit him last night about 9 p.m. She discovered the unconscious boys in their bedroom, ran to the home of an off-duty policeman, D. D. Hutcherson, and told him:

"Mr. Stittick has given his boys sleeping pills. Call the police."

Stittick was arrested and an ambulance took the youngsters to an emergency hospital where their stomachs were pumped. Doctors said they will recover.

Adenauer On Mend

BONN, Germany, Nov. 13 (AP)—Chancellor Konrad Adenauer, recuperating from a bout with bronchial pneumonia, announced today he will resume his official duties "very soon."

Prince Charles Will Mark 7th Birthday

LONDON, Nov. 13 (AP)—Prince Charles reaches his 7th birthday tomorrow. There will be a family party at Buckingham Palace.

The young prince, heir to the throne, has stopped playing to the gallery and no longer mugs for photographers. As the English say he's developed into a "proper little gentleman."

Moves Out Of Office For Ike

Lawrence Oyler, Gettysburg postmaster, cleans up his desk in the Gettysburg postoffice where President Eisenhower will make his business office starting tomorrow. Other executive offices will be located in the postoffice building. The President will go to his farm near Gettysburg today. (AP Photofax)

Ike, Reported Rested, Heads For Farm Today

WASHINGTON, Nov. 13 (AP)—President Eisenhower, reported feeling fine and rested, spent a quiet Sunday with his family and friends today—ready to take off around 10:30 a. m. tomorrow for six more weeks of convalescence at his Gettysburg, Pa., farm.

Sunday's schedule would end with a pre-birthday dinner for Mrs. Eisenhower, who will be 59 tomorrow. "Fine—no fatigue" was the word from the President's personal physician, Maj. Gen. Howard M. Snyder, on the condition of the chief executive, who suffered a heart attack seven weeks ago and flew back to Washington last Friday after hospitalization in Denver.

Ike Attends Movie

White House press secretary James C. Hagerty said the President attended a movie with his family in the White House last night, then slept from 10:30 p.m. until 7 a.m.

This morning he had breakfast in the solarium at the White House with Mrs. Eisenhower; his youngest brother, Dr. Milton Eisenhower, president of Pennsylvania State University; and Maj. and Mrs. John S. Eisenhower, son and daughter-in-law of the chief executive and his wife.

Smith, Gruenther Visit Ike

During the day two visitors dropped in—Walter Bedell Smith, the Army general who has served as undersecretary of state and head of the Central Intelligence Agency, and Gen. Alfred M. Gruenther, NATO commander in Europe, who flew in to the capital today.

Otherwise, the President played with his three grandchildren and just took it easy—getting set for the 2½-hour drive tomorrow to Gettysburg, where a civic welcome awaits him in Lincoln Square before he and the first lady take up residence in their farmhouse on the edge of the battlefield.

Acress In Hospital

SANTA MONICA, Calif., Nov. 13 (AP)—Actress Mamie Van Doren was admitted today to St. John's Hospital, in what her doctor said was "a state of collapse and generally run down condition."

Production Rate Hits New Peak

WASHINGTON, Nov. 13 (AP)—The Commerce Department said today the nation's total output of goods and services increased during the third quarter of this year to an annual rate of 391½ billion dollars—a new record.

This was 6½ billions higher than the rate of production in the second quarter of this year. It also was a gain of 32½ billion dollars, or about 9 per cent, over the rate at which goods and services were being produced in the third quarter of last year.

The figure was a shade lower than the estimate of 392 billion dollars made, on the basis of preliminary information, by the President's Council of Economic Advisors on Oct. 18.

The Commerce Department report said that increased spending by the public and private business spending accounted for virtually all of the upswing in gross national production. Government and foreign purchasing have remained about stable throughout most of the last year.

Israel Accuses Jordan

JERUSALEM, Nov. 13 (AP)—An Israeli army spokesman charged armed Jordanians attempted today to blow up a house in Rosh Haayin, a village 12 miles east of Tel Aviv and 4 miles west of the Jordan border. They caused some damage, he said, but there were no casualties.

Manufacturer Kills Wife, Two Sons, Self

SPRINGFIELD, Mass., Nov. 13 (AP)—Paper manufacturing executive Allison R. Sanger, his wife and two young sons were found stabbed and shot to death in their home today in what police described as a "murder and suicide."

Investigators at the scene reported that Sanger, 47-year-old vice president and general manager of Brooks Co., Inc., killed his wife and youngsters and then shot himself.

The bodies of Sanger and his sons, Allison Jr., 14, and Russell, 9, were found in a bedroom and a bathroom upstairs. The body of Winifred Sanger was found in a downstairs living room.

Medical Examiner William A. R. Chapin said Sanger died of a single self-inflicted bullet wound in the head. The wife was shot once at close range, said Chapin, and the boys were stabbed.

Speculation persisted here that some kind of agreement would be reached by the Big Four before the end of their current sessions Wednesday on holding another conference.

There is a possibility, although the best informed officials considered it slight, that a decision might be made to hold another conference next spring. Another possibility, reported favored by some of the Western delegation, was that the four ministers should leave the question of another conference open until they have reported to their chiefs and see what they want to do about it.

From the point of view of American officials the big difficulty in the way of quick agreement on the time and place of another conference is the fact the talks here have left nothing to negotiate on the issue of German unification. The Soviet and Western positions are harder now than they were after the summit conference last July.

At the same hotel the day before—Nov. 30—three committees will deal with the business of the presidential nominating convention to open Aug. 20, 1956, in the San Francisco Cow Palace. They are the committees on call, arrangements, and rules.

Committee Chairman Leonard W. Hall announced today the meeting will be held at 10 a.m. in the Waldorf ballroom of the Conrad Hilton Hotel.

Molotov Has "Good Talk" With Dulles

Agreement On U.N. Membership Deal Believed In Making

GENEVA, Nov. 13 (AP)—Secretary of State Dulles and Soviet Foreign Minister V. M. Molotov conferred two hours today in what American officials called an informal and cordial atmosphere, but failed to resolve any of the outstanding issues of the East-West conflict here.

Molotov himself, speaking to reporters in English, said, "We had a good talk." He had requested the meeting and went to American headquarters to see Dulles.

While American officials said a number of problems came up, most of the time was spent on discussing a deal whereby 18 new nations would be admitted to membership in the United Nations. Among these are five Communist states, including Albania and Outer Mongolia.

American Objections

The United States has objected to admitting Albania and Outer Mongolia, although it is understood to be ready to accept as U.N. members the three other Red satellites on the list—Hungary, Rumania and Bulgaria. It was reported tonight Dulles made the American objections clear while Molotov maintained his position in support of those two states.

Nevertheless, hope persisted in some Western quarters that agreement on at least part of the list of 18 applicants for U.N. membership would be reached in a day or so. Clare Boothe Luce, U.S. Ambassador to Italy, told correspondents here she had a hunch the problem would be resolved eventually.

Speculation persisted here that some kind of agreement would be reached by the Big Four before the end of their current sessions Wednesday on holding another conference.

There is a possibility, although the best informed officials considered it slight, that a decision might be made to hold another conference next spring. Another possibility, reported favored by some of the Western delegation, was that the four ministers should leave the question of another conference open until they have reported to their chiefs and see what they want to do about it.

From the point of view of American officials the big difficulty in the way of quick agreement on the time and place of another conference is the fact the talks here have left nothing to negotiate on the issue of German unification. FORCED OUT—The turbulent career of Maj. Gen. Eduardo Lonardi (above) as provisional president of Argentina came to a sudden and dramatic end yesterday when he was ousted by Argentine military chiefs.

The state radio reported Lonardi resigned but he denied this. A fellow rebel in the revolt against Juan D. Peron, Maj. Gen. Pedro Aramburu, took over the presidency.

"This has come about exclusively by the decision of certain members of the armed forces," the ousted chief executive said in a statement to newsmen.

"I wish to make it known to you that it is not true that I have tendered my resignation or that the state of my health had anything to do with it."

Aramburu Names Junta

Aramburu fought alongside Lonardi in the September revolution. Immediately on being sworn in, he named a three-man junta to help him rule the country.

The reshuffle followed increasing tension within the fledgling government that took office seven weeks ago, after the overthrow of Juan D. Peron's 10-year-old dictatorship.

The ailing Lonardi has been battling heavy economic and political cross-currents in his brief term in office.

Aramburu, a square-jawed career officer, has been the army's chief of staff since Peron's downfall. He took the oath of office in the white salon of the Casa Rosada, the pink government house, at 5:40 p.m.

The new chief executive told the Argentines Lonardi "has returned to the armed forces the mission of giving a new government to the country."

The state radio announced at 4:05 p.m., that, "The armed forces accepted the resignation of Provisional President Maj. Gen. Eduardo Lonardi."

The announcement climaxed 24 hours of tense secret negotiations between the nation's top military and civilian political leaders in the wake of a split between right-wing "Nationalists" and middle-of-the-road "Democrats" of the Lonardi government.

A government source said Lonardi had been given an ultimatum to fire "reactionary" elements in his government or get out of office.

Peron, in exile in Panama, had predicted Lonardi's fall, and added a prediction that his successor would be overthrown, too.

Peron, in exile in Panama, had predicted Lonardi's fall, and added a prediction that his successor would be overthrown, too.

Adenauer, Pinay Agree On Saar

BONN, Germany, Nov. 13 (AP)—France and West Germany announced tonight that they will press for an early settlement of the Saar problem in cooperation with the new Saar government to be elected in December.

This announcement came in a joint communication issued by West German Chancellor Konrad Adenauer and French Foreign Minister Antoine Pinay following a three-hour conference. The two statesmen said the Paris and Bonn governments "are now in full agreement over the main international problems."

Both governments will "continue their endeavors for a united Europe that is well-balanced and has as its foundation close cooperation between France and West Germany," the communiqué said.

The new settlement of the status of the Saar must respect the basic interests of France and West Germany—especially in the economic field—in this rich border territory, they said.

Their decision to work with the new Saar government on the settlement means that for the first time since World War II the two governments will consult the German-speaking Saarlanders about their future status. In the Oct. 23 plebiscite, the Saarlanders overwhelmingly rejected the French-German plan to "Europeanize" their territory.

Sherwood Has Relapse

NEW YORK, Nov. 13 (AP)—Robert E. Sherwood, 59, Pulitzer Prize-winning playwright and author, was reported to have suffered a "setback" today by New York Hospital after a heart attack.

'Make Believe' War Starts Today In West Louisiana

FORT POLK, La., Nov. 13 (AP)—"Aggressor" and "United States" forces faced each other in an uneasy truce today, awaiting the incident that will touch off mock warfare in the largest maneuvers since World War II.

The Rev. Mr. Lloyd, who is vicar of Chiswick and dean of Hammer-smith, preached from a pulpit in St. Paul's Cathedral—parish church of the British empire—in the campaign for separation of church and state stirred up by Princess Margaret's renunciation of Groun Capt. Peter Townsend.

Townsend's divorce stood as the big obstacle to his marriage to Margaret. The bishops of the established Church of England are against divorce—and divorced persons remarrying while their former partners remain alive.

The Rev. G. A. Lewis Lloyd challenged the system of giving British premiers the right to name bishops and said the Anglican Church "must be free from the limitations of state control."

Man Killed, Two Missing In Navy Radar Ship Fire

DIES — Martin P. Durkin (above), secretary of labor in the Eisenhower administration until he resigned in 1953 and AFL union leader, died in Washington yesterday. He was 61. Durkin underwent brain surgery last fall and again this past summer.

Oil Blaze Rages For Five Hours

NEW YORK, Nov. 13 (AP)—An oil fire raged with blowtorch heat aboard a Navy radar warning ship 125 miles from New York today. A crewman was burned fatally, two were badly hurt and two more were missing.

For five hours the blaze waxed and waned in the midships section of the Searcher, a wartime Liberty ship turned into a floating radar post at a cost of four million dollars.

Navy and Coast Guard ships and planes sped to the scene, in the Atlantic east of Cape May, N.J. The injured were taken off and flown to St. Albans Naval Hospital here.

One died a few minutes after arrival.

Fuel Tank Explodes

Tugs were dispatched to tow the seared and crippled ship to harbor.

The fire burst out of the ship's starboard fuel tank with explosive force at 6 a.m., just as dawn was breaking across the gentle Atlantic swells.

"There was black smoke billowing above the ship, and I could see flames shooting out of the starboard side," said the pilot of a rescue plane, Lt. Cmdr. William E. Chapline. "The point was all burned off near the engine room, an evidence of the intense heat."

The two missing men were thought to have been trapped in the engine room, flooded in a desperate maneuver to stem the advancing flames.

Ship Left Without Power

Another explosion jolted the vessel and renewed the fury of the blaze for a time.

The Searcher, crammed with costly radar equipment and sporting a weird decoration of odd-shaped antennae, was left wallowing in the swells without power.

It is one of a number of radar ships stationed off the Atlantic seaboard to watch for unidentified planes, and carries a crew of nearly 200 officers and men.

Father Attempts To Kill Sons With Sleeping Tablets

VAN NUYS, Calif., Nov. 13 (AP)—A man who said he has "for six years been both mother and father to those kids," was jailed today accused of trying to kill his two young sons with overdoses of sleeping tablets.

Peter Ramsey Stittick, 39, a drafting engineer who told police his wife has been a mental patient since 1949, was jailed on suspicion of assault with intent to commit murder.

"I must have been out of my mind to have done such a thing," officers quoted the father.

Police said Miss Clara Morgan, a friend of Stittick, arrived to visit him last night about 9 p.m. She discovered the unconscious boys in their bedroom, ran to the home of an off-duty policeman, D. D. Hutcherson, and told him.

"Mr. Stittick has given his boys sleeping pills. Call the police."

Stittick was arrested and an ambulance took the youngsters to an emergency hospital where their stomachs were pumped. Doctors said they will recover.

Adenauer On Mend

BONN, Germany, Nov. 13 (AP)—Chancellor Konrad Adenauer, recuperating from a bout with bronchial pneumonia, announced today he will resume his official duties "very soon."

Actress In Hospital

SANTA MONICA, Calif., Nov. 13 (AP)—Actress Mamie Van Doren was admitted today to St. John's Hospital, in what her doctor said was "a state of collapse and generally run down condition."

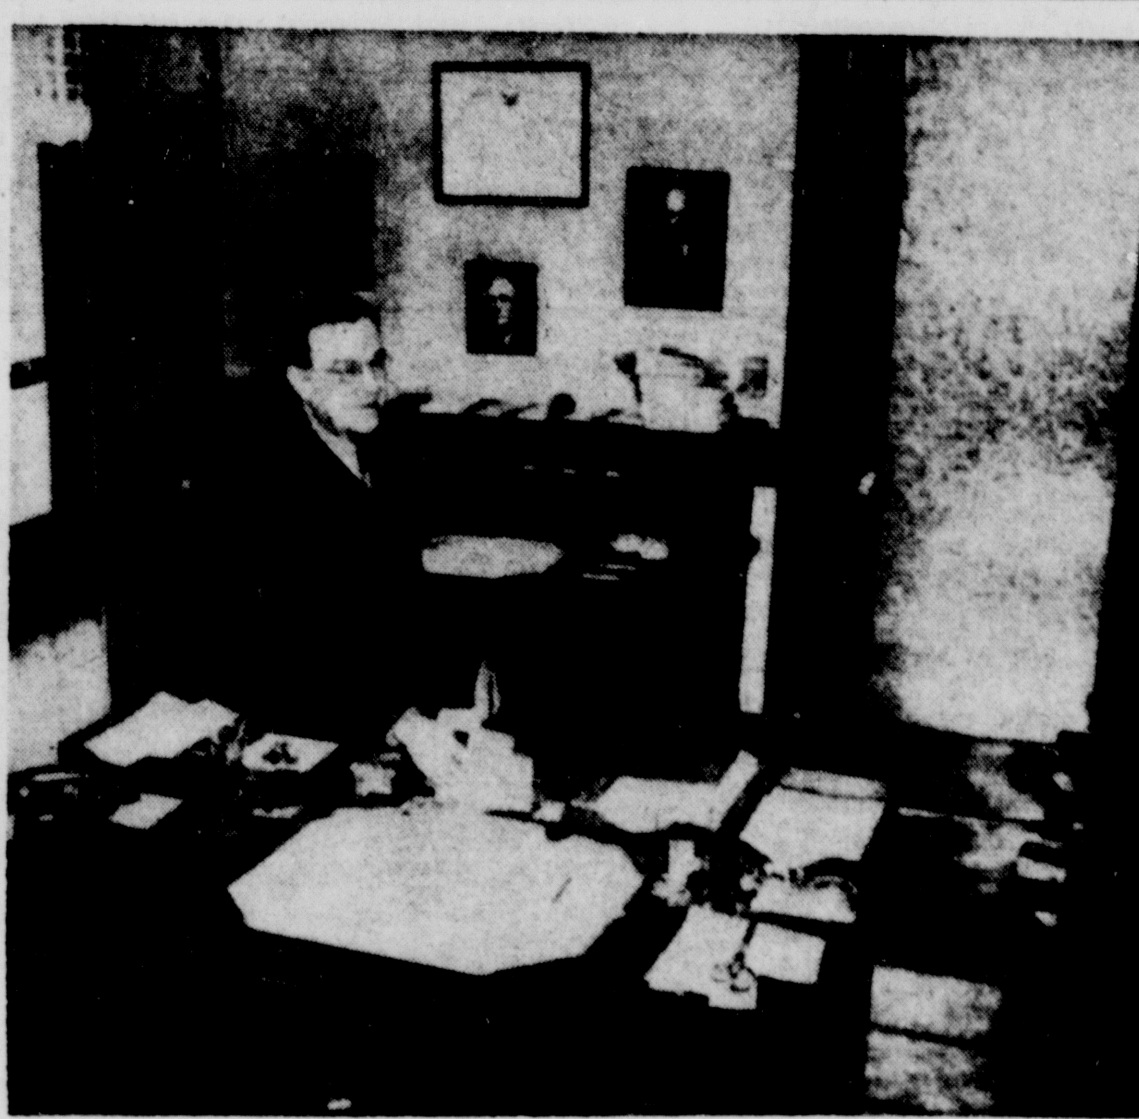

Union Membership Barely Matches Work Force Rise

WASHINGTON, Nov. 13 (AP)—The Labor Department reported today that labor unions gained a million members in the 1952-53 period but barely kept up with growth in the nation's work force.

A new survey by the department's Bureau of Labor Statistics placed the total membership of American labor unions at about 18 million, including one million members in Canada.

The bureau said its count was based on the situation at the start of 1953 and compared with its earlier estimate of 16½ to 17 million members—800,000 in Canada—in the spring of 1952.

The report said union membership rose spectacularly in the 1935-45 decade, from 3½ to 8½ million in the 1935-40 period and from 8½ to 14½ million in 1940-45.

Moves Out Of Office For Ike

Lawrence Oyler, Gettysburg postmaster, cleans up his desk in the Gettysburg postoffice where President Eisenhower will make his business office starting tomorrow. Other executive offices will be located in the postoffice building. The President will go to his farm near Gettysburg today. (AP Photofax)

Ike, Reported Rested, Heads For Farm Today

WASHINGTON, Nov. 13 (AP)—President Eisenhower, reported feeling fine and rested, spent a quiet Sunday with his family and friends today—ready to take off around 10:30 a. m. tomorrow for his Gettysburg, Pa., farm.

Sunday's schedule wound up with a pre-birthday dinner for Mrs. Eisenhower, who will be 59 tomorrow.

"Fine—no fatigue" was the word from the President's personal physician, Maj. Gen. Howard M. Snyder, on the condition of the chief executive, who suffered a heart attack seven weeks ago and flew back to Washington last Friday after hospitalization in Denver.

Ike Attends Movie

White House press secretary James C. Hagerty said the President attended a movie with his family in the White House last night, then slept from 10:30 p.m. until 7 a.m.

This morning he had breakfast in the solarium at the White House with Mrs. Eisenhower; his youngest brother, Dr. Milton Eisenhower, president of Pennsylvania State University; and Maj. and Mrs. John S. Eisenhower, son and daughter-in-law of the chief executive and his wife.

Smith, Gruenther Visit Ike

During the day two visitors dropped in—Walter Bedell Smith, the Army general who has served as undersecretary of state and head of the Central Intelligence Agency, and Gen. Alfred M. Gruenther, NATO commander in Europe, who flew in to the capital today.

Otherwise, the President played with his three grandchildren and just took it easy—getting set for the 2½-hour drive tomorrow to Gettysburg, where a civic welcome awaits him in Lincoln Square before he and the first lady take up residence in their farmhouse on the edge of the battlefield.

Production Rate Hits New Peak

WASHINGTON, Nov. 13 (AP)—The Commerce Department said today the nation's total output of goods and services increased during the third quarter of this year to an annual rate of 391½ billion dollars—a new record.

This was 6½ billions higher than the rate of production in the second quarter of this year. It also was a gain of 32½ billion dollars, or about 9 per cent, over the rate at which goods and services were being produced in the third quarter of last year.

The figure was a shade lower than the estimate of 392 billion dollars made, on the basis of preliminary information, by the President's Council of Economic Advisors on Oct. 18.

The Commerce Department report said that increased spending by the public and private business spending accounted for virtually all of the upswing in gross national production. Government and foreign purchasing have remained about stable throughout most of the last year.

Israel Accuses Jordan

JERUSALEM, Nov. 13 (AP)—An Israeli army spokesman charged armed Jordanians attempted today to blow up a house in Rosh Haayin, a village 12 miles east of Tel Aviv and 4 miles west of the Jordan border. They caused some damage, he said, but there were no casualties.

Manufacturer Kills Wife, Two Sons, Self

SPRINGFIELD, Mass., Nov. 13 (AP)—Paper manufacturing executive Allison R. Sanger, his wife and two young sons were found stabbed and shot to death in their home today in what police described as a "murder and suicide."

Investigators at the scene reported that Sanger, 47-year-old vice president and general manager of Brooks Co., Inc., killed his wife and youngsters and then shot himself.

The bodies of Sanger and his sons, Allison Jr., 14, and Russell, 9, were found in a bedroom and a bathroom upstairs. The body of Winifred Sanger was found in a downstairs living room.

Medical Examiner William A. R. Chapin said Sanger died of a single self-inflicted bullet wound in the head. The wife was shot once at close range, said Chapin, and the boys were stabbed.

Humphrey Would Bar Gov. Shivers As Demo Delegate

CHICAGO, Nov. 13 (AP)—Sen. Hubert H. Humphrey (D-Minn.) said today if he were asked to judge the case of Gov. Allen Shivers of Texas, "I would say he could not qualify" as a delegate to the 1956 Democratic national convention.

Shivers opposed Democratic presidential candidate Adlai Stevenson in 1952 and supported Dwight D. Eisenhower.

Appearing on the CBS television program, "Face the Nation," Humphrey was asked if he thought Shivers should be allowed to sit as a delegate. Humphrey is vice chairman of a special committee to revise Democratic convention rules.

"His case will be judged by the Credentials Committee," Humphrey said. "If I were asked to judge the case, I would say he could not qualify and could not be certified as a delegate."

He added that he believed Texas Democrats "will send a loyal delegation to the convention."

Earlier Humphrey said in Washington he does not expect a convention fight on the "loyalty oath" issue.

Newsboy Discovers Tragedy

Chapin fixed the time of death as sometime before last midnight and after 9 p.m. last night when a neighbor reported seeing a light on in the Sanger dining room.

The tragedy was discovered by a newsboy who made two trips to the Sanger home to collect for papers, received no answer to the doorbell, looked in a window and saw Mrs. Sanger's body.

Sanger, described by neighbors as "a man of strong will," had been employed by the Brooks company, makers of paper boxes and stationery, for 25 years. He became a vice president in 1948.

Married 21 Years

He and his wife, who friends described as "a very nice, always pleasant, very beautiful lady," had been married 21 years. The oldest boy was an honor student at Wilbraham Academy and president of a youth group called the Junior Crusaders.

Chapin said Sanger's body was found in the bathroom. The oldest boy was in his bed, a stab wound in his neck. Russell was in a hallway with stab wounds in his abdomen.

Police said a revolver was found beside a wash basin near Sanger's body. They said the boys were stabbed with a sharp kitchen knife.

Anglican Vicar Says Eden 'Defied Church'

LONDON, Nov. 13 (AP)—An Anglican vicar today described Prime Minister Eden as "a man who has defied the church by remarrying after divorce."

The Rev. G. A. Lewis Lloyd challenged the system of giving British premiers the right to name bishops and said the Anglican Church "must be free from the limitations of state control."

The Rev. Mr. Lloyd, who is vicar of Chiswick and dean of Hammer-smith, preached from a pulpit in St. Paul's Cathedral—parish church of the British empire—in the campaign for separation of church and state stirred up by Princess Margaret's renunciation of Groucho Capt. Peter Townsend.

Townsend's divorce stood as the big obstacle to his marriage to Margaret. The bishops of the established Church of England are against divorce—and divorced persons remarrying while their former partners remain alive.

Molotov Has "Good Talk" With Dulles

Agreement On U.N. Membership Deal Believed In Making

GENEVA, Nov. 13 (AP)—Secretary of State Dulles and Soviet Foreign Minister V. M. Molotov conferred two hours today in what American officials called an informal and cordial atmosphere, but failed to resolve any of the outstanding issues of the East-West conflict here.

Molotov himself, speaking to reporters in English, said, "We had a good talk." He had requested the meeting and went to American headquarters to see Dulles.

While American officials said a number of problems came up, most of the time was spent on discussing a deal whereby 18 new nations would be admitted to membership in the United Nations. Among these are five Communist states, including Albania and Outer Mongolia.

American Objections

The United States has objected to admitting Albania and Outer Mongolia, although it is understood to be ready to accept as U.N. members the three other Red satellites on the list—Hungary, Rumania and Bulgaria. It was reported tonight Dulles made the American objections clear while Molotov maintained his position in support of those two states.

Nevertheless, hope persisted in some Western quarters that agreement on at least part of the list of 18 applicants for U.N. membership would be reached in a day or so. Clare Boothe Luce, U.S. Ambassador to Italy, told correspondents here she had a hunch the problem would be resolved eventually.

Speculation persisted here that some kind of agreement would be reached by the Big Four before the end of their current sessions Wednesday on holding another conference.

Spring Conference Possible

There is a possibility, although the best informed officials considered it slight, that a decision might be made to hold another conference next spring. Another possibility, reported favored by some of the Western delegation, was that the four ministers should leave the question of another conference open until they have reported to their chiefs and see what they want to do about it.

Tongay, Jailed For Aquatof's Death, Escapes

NEW ORLEANS, Nov. 13 (AP)—Former swimming instructor Russell Tongay, serving a 10-year manslaughter sentence in the death of his aquatof daughter, tonight escaped from an agent from the Florida State Prison, police said.

Tongay and the agent, Jimmie Simmons, had stopped in a restaurant in the business section. Simmons told police Tongay jumped off a stool in the restaurant and ran out the door.

Tongay was here for treatments at the Marine hospital.

He was convicted of manslaughter in the death of his daughter, Kathy, 5, who suffered injuries when her father forced her to make a 33-foot dive at Miami Beach.

Sherwood Has Relapse

NEW YORK, Nov. 13 (AP)—Robert E. Sherwood, 59, Pulitzer Prize-winning playwright and author, was reported to have suffered a "setback" today by New York Hospital after a heart attack.

'Make Believe' War Starts Today In West Louisiana

FORT POLK, La., Nov. 13 (AP)—"Aggressor" and "United States" forces faced each other in an uneasy truce today, awaiting the incident that will touch off mock warfare in the largest maneuvers since World War II.

"Aggressor" aircraft will shoot down a "United States" observation plane Monday and launch a full scale test of America's newest weapons, conventional and atomic.

Some 110,000 ground troops will fight a "make believe" war over a seven million acre strip of western Louisiana. More than 400 Army observation planes and helicopters will work with ground troops.

Some 850 tactical aircraft, manned by 30,000 airmen, will provide air cover from bases in

FORCED OUT—The turbulent career of Maj. Gen. Eduardo Lonardi (above) as provisional president of Argentina came to a sudden and dramatic end yesterday when he was ousted by Argentine military chiefs. The state radio reported Lonardi resigned but he denied this. A fellow rebel in the revolt against Juan D. Peron, Maj. Gen. Pedro Aramburu, took over the presidency.

Kefauver May Say Next Month If He Will Run

WASHINGTON, Nov. 13 (AP)—Sen. Kefauver (Tenn.) said today he should know about the middle of December whether he will be a candidate for the Democratic presidential nomination.

He made the statement on a network television show.

Immediately after the show, a member of the TV panel was reported to have asked the senator if he really intended to run. His reported reply was, "I think so."

Kefauver himself left soon after the show for Miami, Fla., for scheduled juvenile delinquency hearings there and could not be reached.

GOP Committee Meets Dec. 1

WASHINGTON, Nov. 13 (AP)—The official call of the Republican national convention in 1956, which will include the number of delegates allotted each state, will be authorized at a meeting of the GOP National Committee in Chicago Dec. 1.

Committee Chairman Leonard W. Hall announced today the meeting will be held at 10 a.m. in the Waldorf ballroom of the Conrad Hilton Hotel.

At the same hotel the day before—Nov. 30—three committees will deal with the business of the presidential nominating convention to open Aug. 20, 1956, in the San Francisco Cow Palace. They are the committees on call, arrangements, and rules.

Demo Chief Raps GOP

WASHINGTON, Nov. 13 (AP)—Democratic National Chairman Paul M. Butler today accused the Eisenhower administration of having broken 40 pledges in the 1952 Republican platform since it took office in January 1953.

"The Eisenhower administration and the majority of the Republicans in Congress," Butler said, "have broken their campaign promises to farmers, to labor, and to small business."

"They have not balanced the budget, which they promised to do; they have increased rather than reduced the national debt. Furthermore, the recent examples of Republican misconduct make a mockery of the 1952 GOP platform."

Adenauer, Pinay Agree On Saar

BONN, Germany, Nov. 13 (AP)—France and West Germany announced tonight that they will press for an early settlement of the Saar problem in cooperation with the new Saar government to be elected in December.

This announcement came in a joint communique issued by West German Chancellor Konrad Adenauer and French Foreign Minister Antoine Pinay following a three-hour conference. The two statesmen said the Paris and Bonn governments "are now in full agreement over the main international problems."

Both governments will "continue their endeavors for a united Europe that is well-balanced and has as its foundation close cooperation between France and West Germany," the communique said.

The new settlement of the status of the Saar must respect the basic interests of France and West Germany—especially in the economic field—in this rich border territory, they said.

Their decision to work with the new Saar government on the settlement means that for the first time since World War II the two governments will consult the German-speaking Saarlanders about their future status. In the Oct. 23 plebiscite, the Saarlanders overwhelmingly rejected the French-German plan to "Europeanize" their territory.

Martin Durkin, Former Labor Secretary, Dies

WASHINGTON, Nov. 13 (AP)—Martin P. Durkin, former secretary of labor and AFL union leader, died today. He was 61 years old.

Durkin underwent brain surgery last fall and again this summer. He was first hospitalized after becoming ill at an annual AFL convention in Los Angeles.

After his second tumor operation, Durkin was able to go to his home for a while but was forced to re-enter Georgetown University Hospital in September and he never left there again. Dr. Thomas Kellher said the labor leader had few moments of consciousness in recent weeks and lost ground slowly until his death.

Wife, Sons At Bedside

Death came to Durkin at 11:55 a.m. EST with his wife and their three sons at the bedside.

He has been president of the AFL's United Assn. of Journeymen and Apprentices of the Plumbing and Pipefitting Industry since 1943.

A union member all his life, Durkin was picked by President Eisenhower shortly after his 1952 election to become secretary of labor under the new Republican administration.

The appointment came as a surprise because Durkin was a life-long Democrat. The late Sen. Robert A. Taft described the choice as "incredible."

Charged Ike Reneged

Durkin quit the Cabinet job suddenly on Sept. 10, 1953, declaring that Eisenhower ran out on promises to change the Taft-Hartley law. Durkin had advanced 19 points for White House recommendation to Congress for changing the law.

The proposals were looked upon by employer groups as favoring unions and they were never formally submitted to Congress. Eisenhower denied having broken any promise to Durkin to support them.

The argument never was cleared up. Durkin claiming Eisenhower had welched on a deal and the President saying he had never broken a promise to anyone.

Prince Charles Will Mark 7th Birthday

LONDON, Nov. 13 (AP)—Prince Charles reaches his 7th birthday tomorrow. There will be a family party at Buckingham Palace.

The young prince, heir to the throne, has stopped playing to the gallery and no longer mugs for photographers. As the English say he's developed into a "proper little gentleman."

New Brazilian Regime Holding Firm Control In Wake Of Coup

RIO DE JANEIRO, Brazil, Nov. 13 (AP)—Brazil's temporary government held firm control today after a coup installing Senate President Nereu Ramos as acting president to keep peace until the Jan. 31 inauguration of President-elect Juscelino Kubitschek.

Carlos da Luz, ousted in the coup Friday as provisional president after only two days in office, came back into Rio harbor this morning aboard the cruiser Tamandare from which he sent a capitulation message last night.

Luz and his associates remained aboard the ship—the former U.S. cruiser St. Louis now named for a Brazilian naval hero—waiting for negotiations by leaders of the National Democratic Union Parliamentary Committee to assure their immunity from arrest because they are members of the House of Deputies.

A call went out for a special meeting of the House tonight to act on their fate, but the meeting was subsequently cancelled. Officials said it was no longer neces-

sary. Informed party sources said Luz had resigned from his post as president of the chamber—the question the House was scheduled to take up.

With Luz on board the Tamandare was Carlos Lacerda, editor of the newspaper Tribuna da Imprensa, which opposed the election of Kubitschek last month. Lacerda was also a member of the House. There had been reports he may be expelled from the House and arrested.

But the police political section said that when Luz and Lacerda came ashore later in the day, Lacerda was not to be considered under arrest because the head of the section would accompany Lacerda to his home.

In line with the peaceable atmosphere that appeared restored in the capital and throughout the country, the government announced Lacerda's newspaper would be permitted to publish again tomorrow under censorship. The government also restored a formal censorship on outgoing cables but this was not considered to imply there was any new trouble.

Coty Requests Faure To Remain On Job

PARIS, Nov. 13 (AP)—President Rene Coty today asked Premier Edgar Faure to stay on the job as head of the government despite the thin majority by which he won a vote of confidence last night.

Faure won—285 to 247—on a question of what type of election machinery to put into force for the December elections he wants, but there seem grave doubts now there will be any elections in December.

Faure went to the President's home to pay his respects to Coty, whose wife died yesterday, and to consult him on how to proceed.

A salmon weighing 37 pounds, 12 ounces was caught by a fisherman in the Wye River in the center of the city of Hereford, England.

Youth Who Slew College Student Slashes Wrists

CATONSVILLE, Md., Nov. 13 (AP)—A brooding 17-year-old training school fugitive, held for the murder of a University of Maryland student, was taken to the Spring Grove State Mental Hospital today after slashing his wrists on a broken window at Prince Georges County Jail.

The youth, Edward Marcionette of Fairland, Md., is accused of fatally stabbing Richard E. Gibson, 20, of Leetonia, Ohio, Friday night as the tragic climax to a chase that began when Gibson heard someone drive off with his brother's car.

Marcionette was brought to Spring Grove in this Baltimore suburb by Prince Georges Sheriff J. Lee Ball today as the aftermath to what authorities called either an effort to escape jail or an abortive suicide attempt.

State's Atty. Blair Smith said the boy broke a window in the Prince Georges County jail late Saturday but was seized immediately by attendants. He cut himself only slightly.

Before his transfer here, the boy repeatedly spurned help from a lawyer retained by his father, muttering:

"I don't deserve any help." Later, when a newsman asked him his version of what occurred Friday night, Marcionette replied: "Look, I told you I killed him. I deserve to die and that's all."

Young Demos Want Central Committee On Official Footing

ROCKVILLE, Md., Nov. 13 (AP)—The Young Democratic Clubs of Maryland are seeking to goad party leaders into putting their guiding organization, the Democratic State Central Committee, on an official footing.

The Young Democrats' executive committee, in a resolution approved yesterday by a 9-3 vote, noted that the central committee has neither a constitution nor by-laws and that the need for these has been pointed out before.

The resolution urged that a constitution and by-laws be prepared and submitted to the 1956 Democratic State Convention. It also proposed selection of a committee from Young Democratic ranks to assist the central committee in preparing the documents.

U.S. Meat Production Hits Record Volume

WASHINGTON, Nov. 13 (AP)—With Americans eating more meat than they have in the last 47 years, the Agriculture Department announced today production of meat animals rose to record volume for 1955.

Per capita consumption of meat in the United States is now 161 pounds a year, the department said.

The department expects 1956 production of meat will stay very close to this year's level of almost 27 billion pounds. It said that production of hogs, now on an upturn, may level out or turn down in 1956, but the number to be slaughtered next year still will exceed the 1955 rate.

Confederate Veteran Marks 113th Birthday

FRANKLIN, Tex., Nov. 13 (AP)—Walter W. Williams, oldest of the only four living Civil War veterans, joined in singing "happy birthday" to himself today.

The frail, blue-eyed Confederate veteran will be 113 tomorrow.

Good Man to Know at This Season

ED BURNS

If you don't already know this man, you should. As the friendly, cheerful manager of Aetna Finance Co., he likes to make folks happy with extra cash when they need it.

"I like folks," he said, "and want everyone here and in nearby towns to see me if they could use \$50 to \$1500 cash."

Any steadily employed person may get money from Aetna for shopping, personal expenses, bills or other purpose. The Aetna "Bill-Payer" plan provides ample cash to consolidate bills and reduce payments. Fast, while-you-wait service is another Aetna feature.

Those wishing to use this service, phone or see the Aetna office, 48 N. Centre St., Dial PA 4-5800. (Loans over \$300 made under Md. Industrial Finance Act.)

Motorist Gets Wild Ride In Car Trunk

CHICAGO, Nov. 13 (AP)—Frederick Martin, 32, was taken on a wild ride last night—locked in the trunk of his car.

Martin told police three men accosted him while he was parking his car in his garage, robbed him of \$10, locked him in the trunk and drove off.

The bandits ran a red light and the car collided with one driven by Merville Manly, 39. The only person injured was Manly's son, Wayne, 9. He suffered a fractured jaw.

After the crash the bandits fled. Police arrived, heard Martin's muffled shouts and freed him. Although shaken by the ride, Martin went with police to search for his abductors.

Three men, spotted nearby, were seized. Police said they admitted the escape.

Threat Of New Slide Blocks Investigation

NICOLET, Que., Nov. 13 (AP)—A threat of further earthfalls blocked an on-the-spot investigation today of a landslide that killed at least three persons and swept buildings valued at five million dollars into the Nicolet River.

A mass of sand and clay was still shifting in the area where a huge section of embankment slid 70 feet into the river bed with the consequent toll of property and lives.

Provincial police said there is a possibility more persons may be buried beneath the tons of earth.

Several persons—including Msgr. Albertus Martin, Roman Catholic bishop of Nicolet—clambered to safety as the ground cracked around them. The bishop's palace, a commercial academy, three homes and a gasoline station crashed down the incline.

Mother Confesses Strangling Baby

LAUREL, Md., Nov. 13 (AP)—A 23-year-old mother will be given a hearing in trial magistrate's court Tuesday on a charge of strangling her 13-day-old daughter.

Police Chief Jack L. Larrimore said last night Mrs. Dorothy Terrell Willow had admitted choking the child with a piece of muslin. She was held without bond.

The baby was found dead in its crib Friday with several pieces of cloth wrapped tightly about its neck. Mrs. Willow's 14-month-old son also was in the crib.

Larrimore said Mrs. Willow first told police she had left the children

in the crib while she made a half-hour trip to a laundry. She was quoted that she left the strips of muslin for the boy to play with. She was charged with the infant's death last night after several hours of questioning by Larrimore and Sgt. John W. Kern. Mrs. Willow's husband, an Army sergeant, was at Ft. Dix, N. J., awaiting transfer to Europe when the death occurred. He learned of the tragedy when he telephoned his wife late Friday.

Rheumatism-Arthritis NEURITIS—SCIATICA

Relief from those torturing pains or no charge. An absolute proven remedy. Only one trip required. Disabled persons may send a friend, 45 South Mt. Vernon Ave., 500 ft. off Route 40, Uniontown, Pa. Office hours: Daily 10-6. Sunday 10-4. Permanently located — Advertisement.

When someone's counting on you... you can count on life insurance

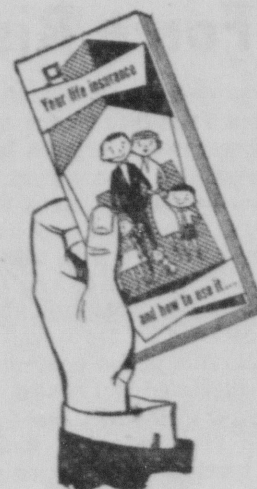

Big eyes and tiny grins have special meanings for any father. For along with the pleasures of a new occupant in the nursery come responsibilities for the years ahead.

These are responsibilities your life insurance is designed to help you meet. Through life insurance 93 million people are pooling their funds to build greater family financial security than they could achieve alone. These combined funds now total \$84½ billions... strong backing for the benefits guaranteed in the policies.

This is one of the reasons why you can count on life insurance... and why it is America's most widely used form of thrift.

Planning your family's life insurance is such an important matter that you are wise to get the best help you can. Naturally, the person to see is your own life insurance agent.

You'll also find many helpful suggestions in the new booklet, *Your Life Insurance—and How to Use It*. It tells you how to use life insurance for family protection, for educational purposes, for your own retirement. Your free copy will be mailed promptly; simply send your name and address on a postcard to Dept. C.

Yours free!

When

someone's counting on you...

you can count on life insurance

Big eyes and tiny grins have special meanings for any father. For along with the pleasures of a new occupant in the nursery come responsibilities for the years ahead.

These are responsibilities your life insurance is designed to help you meet. Through life insurance 93 million people are pooling their funds to build greater family financial security than they could achieve alone. These combined funds now total \$84½ billions... strong backing for the benefits guaranteed in the policies.

This is one of the reasons why you can count on life insurance... and why it is America's most widely used form of thrift.

Planning your family's life insurance is such an important matter that you are wise to get the best help you can. Naturally, the person to see is your own life insurance agent.

You'll also find many helpful suggestions in the new booklet, *Your Life Insurance—and How to Use It*. It tells you how to use life insurance for family protection, for educational purposes, for your own retirement. Your free copy will be mailed promptly; simply send your name and address on a postcard to Dept. C.

Yours free!

Civic Orchestra Will Present Harmonica Star

When the Cumberland Civic Symphony Orchestra opens the fall concert season Tuesday, November 29, at Allegany High School auditorium Wilton Syckes will make his debut as conductor and will present Richard Bain as soloist. Bain is harmonica soloist with the United States Navy Band. Syckes will succeed his brother, S. Lua Syckes who recently resigned as director.

Bain has received the acclaim of critics across the nation and is credited with elevating the har-

monica from a boyhood toy to a fine orchestral instrument. He has been guest soloist with Fred Waring's Pennsylvanians, Boston Symphony, Pittsburgh Symphony, Buffalo Philharmonic, U. S. Army Band and other prominent musical aggregations in the same category.

In addition to playing at a host of supper clubs, he has played many times for President Dwight D. Eisenhower and is one of the chief executive's favorite soloists. The local orchestra, now numbering 40 players, will be heard in a popular symphonic program that will include selections from "The Nutcracker Suite" and "Waltz of the Flowers" (Tchaikowsky), a Mozart symphony and at least three other numbers. Admission is free.

Road Workers Hurt In Truck Crash

Two employees of the West Virginia State Road Commission were injured when a tractor trailer owned by James Moran, of Westernport and operated by Dailey L. Simmons, 29, of Augusta, struck a road truck hauling fill for the road berm, near Shanks, on U. S. Route 50, Thursday.

Grover A. Poland, 62, operator of the truck was treated by a local physician for lacerations and bruises of the head and Con Kessel, who was riding in the truck, suffered lacerations of the cheek and leg bruises.

Both vehicles were westbound and the heavy rig struck the rear of the road truck.

Trooper G. H. Phillips, of West Virginia State Police, charged Simmons with failure to have his vehicle under control.

The yellow race is the least hairy of all peoples.

SRC Condemnation Cases To Be Heard

Three State Roads Commission condemnation cases have been scheduled for hearings before Allegany County Circuit Court juries this term.

Friday, the SRC suit against Calvary Baptist Church of Cresaptown will be heard. Paul M. Fletcher and Frederick Puderbaugh represent the state and William A. Gunter, William H. Geppert and W. Earle Cobey, the church.

Monday, November 21, the suit by the SRC represented by Thomas B. Finan and Puderbaugh against William Brashear and Wayne Brashear will be heard. Horace Whitworth Sr. and William A. Gunter are counsel for the defendants.

Tuesday, November 22 a jury will hear arguments in the SRC condemnation case against W. L. and Dora Bodkin.

Histology is the science or study of the body's tissues.

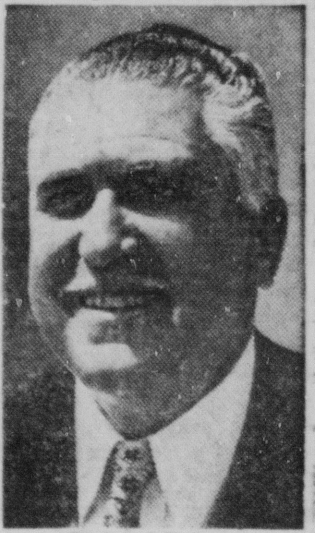

Skin Specialist Shows How To Rinse Away Blackheads

"Thrilled and delighted," says Miss Carolyn Peterson (left) after demonstration. "Could hardly believe my eyes!" said Miss Maxine Cantway (center). "It's true! I can't believe it! Where did the blackheads all go?" exclaimed Mrs. Sylvia Schaeffer (right).

Reveals Valuable Complexion Secret

Richard Estrin

BEAUTY CONSULTANT
"Now no woman need despair of getting rid of ugly blackheads that mar an otherwise clear and lovely complexion. For here is a wonderfully simple treatment that gives dramatic proof of what it will do the very first time you use it. In thousands of beauty salons across the country, thousands of women have paid from \$3 to \$10 for single Queen Helene Treatments. However, I have arranged for STORE NAME to bring you the very same treatments at a cost of less than 10c each... when you give them to yourself at home."

STORE NAME guarantees you will be delighted with results. If you are not, your money will be cheerfully refunded.

Fast, Easy Treatment now available for home use

by CLAIRE HOFFMAN

NEW YORK, N. Y.—I was one of an audience of truly surprised men, women and teen-agers yesterday, when a leading New York skin specialist demonstrated a new rapid way of removing blackheads. Each demonstration took only 15 minutes — and the results were

frankly amazing! Ugly blackheads actually rinsed away and many could be seen on the white cleansing tissues that finished each treatment.

But this wasn't all! The treatment also helped reduce enlarged pores and made rough, muddy complexions look cleaner, clearer and smoother.

Here's what I saw...

Five women and two men were each given three products and told how to use them. The specialist himself did nothing but direct them—it was so easy!

First, he had them cleanse their faces thoroughly. Not with any cream that takes off only surface dirt, but with a scientific laboratory-developed pore cleanser that softens and loosens even the grime that has been caked and cemented into the pores for weeks. It is called Queen Helene's Whipped Cleansing Cream. As it is applied, it liquefies and floats out much of the pore "filler" with its rapid emollient action.

I was amused at the look of amazement on one woman's face as she rinsed off the cream. The tissue was literally gray with dirt—and she confided to me that she had washed her face before taking part in the demonstration! I'm convinced that any woman who sees, with her

own eyes, the dirt this cream floats out of her skin—will begin to understand why it is so important to use a cleanser that really works.

"Suction Action"

The second step in this skin specialist's treatment was an application of Queen Helene's Masque, a delightfully mint-medicated cream. He had them smooth it on with their finger tips, applying it very generously on "trouble spots" such as around the nose and mouth.

Any woman will really enjoy this part of the treatment! For within two or three minutes your skin begins to feel a marvelous stimulation, as though being "massaged" by the action of the medicated ingredients in the masque. Next your face feels alternately "hot" and "cold"—followed in a few minutes by a delightful sensation of utter relaxation. Then your skin feels tighter... and tighter... and tighter!

It was explained this way: A special absorbing agent called Argilla dries and turns the cream into a plastic-like masque. As this firms and hardens, its suction action draws on the waste matter in the pores... This, he informed us, was the most important part of the treatment.

TRY TISSUE TEST! First wash face thoroughly, then apply treatment; tissue off... Now you can see... tiny specks of black on your tissue that were once ugly blackheads and imbedded pore dirt.

READ WHAT BEAUTY EDITORS SAY:

"A royal blessing for those who've been bothered and blighted by blackheads."

—Ruth Muggelberg, Women's Editor, BOSTON DAILY RECORD

"When a skin specialist is responsible for a cosmetic line from his private formulas you have something."

—Antoinette Donnelly, NEW YORK DAILY NEWS

"Effective way to banish blackheads... If stubborn blackheads bother you, you'll be thrilled in using a brand-new treatment which does wonders toward clearing a disturbed complexion."

—BOSTON DAILY GLOBE

"Thanks to a doctor's remarkable discovery comes a scientific three-way skin and beauty treatment that takes only 10 minutes but produces startling results."

—BOSTON EVENING AMERICAN

Rinses away with water

After about 10 minutes, the masques were rinsed away with water. Hot or cold makes no difference—the hardened cream dissolves in seconds. You simply wipe your face and—to your amazement—you see blackheads and other pore "filler" actually come off on your washcloth or tissue! Your skin feels clean—really clean—and refreshed and smooth, like velvet!

Pore sponging and closing

The third and final step in the treatment was a quick dousing with Queen Helene's Penetrating Astringent. I found out that this was a very special astringent that sinks deep into your pores and performs the final necessary dissolving, soaking-up action—after which it helps tighten the pore openings and leaves an invisible film that helps protect your skin for hours against dirt and reinfection.

What will happen when you use this 3-step treatment?

You'll find the answer when you look in your mirror. Even after a single treatment, you are bound to see a marked improvement in your complexion. The chances are you'll find it hard to believe your eyes.

For example, some of the blackheads and whiteheads should be gone—either completely or partially—while others will be softened and made ready to be drawn out in another treatment or two. You will also see that many of your most prominent pores appear to be smaller—that your skin looks smoother—and feels fresher and more alive!

In short, after a single treatment taking less than fifteen minutes, you can expect to see results that normally you would not dare hope for even after many weeks of treatment... but don't expect everything at once, just the same! The damage done by years of neglect and improper care cannot be undone in a single day. But—with 3 or 4 treatments a week, taking less than 15 minutes each—you may confidently look forward to startling complexion improvements within the next 30 days. From then on, a single treatment a week—or every second week—will probably be all that your

skin will need to be kept beautiful and healthy-looking.

Important Discovery for Normal Complexions too!

Even if you are not plagued by blackheads, whiteheads, or other tell-tale signs of skin blemishes, you will find this 3-Way Treatment a remarkable aid to a smooth, glowing young-looking complexion.

By proper cleansing and flexing your skin regularly—just as you flex your muscles—this 3-Way Treatment helps keep your complexion looking and feeling firm, youthful and alive! If you should be over 35, and beginning to look it, you will see minor lines flatten out, feel tired facial muscles tighten, and enjoy the look and feel of youth for hours... Countless women use Queen Helene's 3-Way Skin and Beauty Treatment as a quick beauty "pick-me-up" just before a party—or important date!

Try this skin treatment in your own home without risking a penny

Clinical demonstrations of this treatment have been so startling that we know the results you'll see in your mirror will delight you. This is why we invite you to try Queen Helene's 3-Way Skin and Beauty Treatment without risking a penny. This treatment, developed by a leading New York Skin Specialist for home use, will not only enable you to rinse away troublesome blackheads, but it will also help smooth and beautify your complexion so that you yourself will see the difference—or the treatment won't cost you a cent! All you need to do is return what you haven't used, and your purchase price will be refunded. It's as simple as that. You have complexion loveliness to gain—and nothing to lose!

No matter what your skin may be like now—if it is anything less than perfect—Queen Helene promises you results you can see in your first 15-minute home treatment and dramatic improvements within 14 days. After the first two weeks, you will discover whether you need to keep on using the treatment several times a week, or less often, depending on how fast your complexion clears. But act now! So right now, while you are determined to help yourself, send in the coupon or phone today!

SEE BLACKHEADS GO IN 15 MINUTES—OR NO COST!

they just rinse away!

Complete treatment takes only minutes—produces startling results!

1. APPLY QUEEN HELENE WHIPPED CLEANSING CREAM. It liquefies instantly on skin and floats out dirt with emollient action. Wipe off with cleansing tissue.

2. APPLY QUEEN HELENE MEDICATED MASQUE. As masque tightens and hardens, feel drawing action of special formula astringent helps draw out blackheads and other pore impurities.

3. RINSE OFF. In about 10 minutes, rinse off. The masque dissolves in seconds. You'll see blackheads and other impurities come off on the cleansing tissue.

4. FINISH WITH QUEEN HELENE PENETRATING ASTRINGENT. This special formula astringent helps close "emptied" pores, tones up complexion, makes skin feel vibrantly fresh and alive.

LOOK IN MIRROR—SEE THE BIG DIFFERENCE!

But don't be satisfied with one treatment—repeat daily until complexion is firm, smooth, and pores are reduced.

Barbara Harr Is Named Queen Of Junior Fair

Coronation Event Scheduled Friday

PIEDMONT—Miss Barbara Harr, a senior of Piedmont High School, has been selected as Queen of the annual Junior Fair to be held in the school auditorium Friday evening. Edward Orndorff will be her escort.

Principal Vernon A. Staggers will crown the queen during the coronation ceremonies at 8 p. m. Elrose Tibbitts, 1954 queen will present a bouquet of roses to Miss Harr.

Representatives of the area schools and the sophomore and junior classes of Piedmont High School will take part in the program.

They will include Jeanne Paugh and Glenn Tephapock, Elk Garden; Frances Crowe and Carleton Ahern, St. Peter's, Westernport; Barbara Brant and Robert Goller, Fort Ashby; Joanna Weaver and Mike Zollner, Ridgeley; Eva Louise Kight and Robert Kertesz, Bruce High School, Westernport; Patricia Healy and John Lupis, Potomac State College, Keyser; Patricia Doll and Richard Kephart, Keyser High School; Margaret Alkire and Russell Metcalfe, junior class of Piedmont High School and Anne Drane and Joseph Niland, sophomore class.

After the coronation a pageant composed of dances of different countries will be presented by the elementary school children. The theme of the pageant will be, "The Spirit of the United Nations."

Mary Ann McDonald will represent the "Spirit of United Nations."

Others taking part are John Niland and Pat Green, buglers; Penny Baker, crownbearer; Carrie Lynn Green, Janie Ashenfelder, Deborah Wilson, Charles Grove, Frederick Hokamp, Richard Sarfino, attendants; and Judy and David Walker, dancing duet. Music for dancing will be provided by Barberians of Keyser.

Auxiliary Hears District Report

WESTERNPORT — A report on the district meeting of the American Legion Auxiliary Units held at Frostburg was given at a recent meeting of Victory Unit 15 by Mrs. Owen Rhodes and Mrs. Margaret Harris.

The local unit was honored at the district meeting by receiving three certificates for outstanding work which included: rehabilitation; community service and Unit activities.

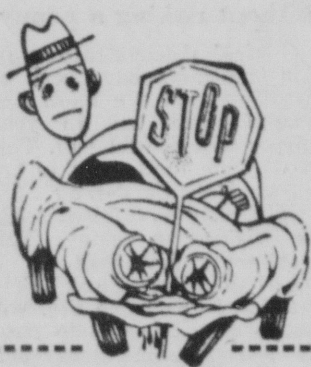

At the meeting the auxiliary ordered a donation of \$25 for Christmas gift project for the veterans at Perry Point and Fort Howard Hospitals.

A Christmas party will feature the December meeting. It will include a covered dish supper and an exchange of Jingle gifts.

Mrs. Lulu Fazendaker is arranging a musical program.

Card Party Set

FROSTBURG — The Catholic Women's Organization of St. Michaels Church will hold a card party and bake sale tomorrow at 8 p. m. at the K. of C. Hall. There will be refreshments and prizes. Bridge and 500 will be played, and players are asked to bring their own cards.

WHY PAY FOR RECKLESS DRIVING?

My company aims to insure only careful drivers. As a result, claims costs are lower and the savings are passed along to policyholders in the form of lower cost insurance. Find out today if you can qualify for State Farm Insurance as a careful driver. Just phone me.

It pays to know your STATE FARM Agent

STELLAR ROLES—Sandra Dillon, (left) daughter of Mrs. Helen Dillon, Dudley, will have the stellar role as "Musette, a gypsy fortune teller," a soprano, in the operetta, "The Fortune Teller" to be presented November 16 at 8 p. m. at Valley High School auditorium. Ann Perry Chappell, (right) daughter of Mr. and Mrs. Harry Chappell, Island Street, Lonaconing, will portray the character of "Vaninka, Musette's mother," alto, in the two-act operetta.

Mt. Savage High Juniors Offer Three Plays

MT. SAVAGE—The Junior Class of Mt. Savage High School will present three one-act plays composed of comedy, mystery and fantasy November 17 at 8 p. m. in the school auditorium.

The fantasy, "This Way to Heaven," by Douglas Parkhurst will have Ruby Ann Rice and Larry Stowell in the stellar roles of Gram and Mr. Flanagan. Others in the cast are James Harden as Charlie Baker, a newspaper reporter; and Janet Fair, Gran's daughter.

"Angel Child," a comedy by James Reach is a typical humorous family play. Cora Rice, as Amy Cramer, will play the leading role; supported by Margie Holt as Sadie, the Polish Maid; James Miller as Kenny Cramer; Mary Frances Lee in the mother role; Jane Rizer as the bashful older sister; and George Bishields as her boy friend.

"Fright" also by James Reach will provide the horror and terror ingredient for the evening. James Henckel as John Fairbridge, a well-to-do business man, has the stellar role. Others in the supporting roles are JoEllen Hartman, Martha Ann Lewis, Roger Frankenberg and Roger Duckworth.

Eastern Star Entertains

MT. SAVAGE—Rebecca Arnold, Chapter No. 57, OES, entertained members and officers of McKinley Chapter No. 12, OES, Cumberland, a recent evening.

A program, "Friendship Hour," was presented in their honor and gifts presented to each visiting officer.

A light for the dias pedestal was presented to the chapter by Mrs. Loretta Haus in honor of her uncle, Frank Smith, past grand patron of Grand Chapter of Maryland and past patron of McKinley Chapter. The officers presented a program of dedication.

Frostburg Briefs

Mr. and Mrs. Frank R. Jex and family returned to Provo, Utah, after visiting with Mr. and Mrs. William Fisher, Welsh Hill and Mrs. William Fisher, Park Avenue.

Airman 3-C Ellis L. Fisher has completed his training as a jet mechanic at the Sheppard Air Force Base, Wichita Falls, Texas. After spending a 30-day leave with his parents, Mr. and Mrs. William Fisher, he will go to Seattle, Wash., for one month then to Fairbanks, Alaska for further training.

Mrs. Agnes Schneider, 158 Maple Street, has returned to her home after having been a surgical patient at Memorial Hospital, Cumberland.

Legislators To Be Guests At College

Potomac State Needs Will Be Studied

KEYSER — Members of the West Virginia State Legislature will have an opportunity to observe Potomac State College in action when they visit the local campus on Monday, December 5.

President E. E. Church has invited three senators and nine delegates to be guests at the college that day for the purpose of discussing the needs of the college. The men will inspect the campus and be guests at a luncheon.

Invited are Senator Ralph J. Bean, Moorefield, president of the Senate; Senator Clarence E. Martin, Martinsburg, and Senator Archie L. Reed, Terra Alta; Delegates Joseph W. Kessel, Mineral County; William P. C. Perry, Jefferson; Stewart Wright, Berkeley; Ward Dawson, Sr., Morgan; John Blair, Hampshire; James M. Miley, Hardy; Ralph Walton, Grant; William McCoy, Jr., Pendleton; and Richard Whetsell, Preston.

Midland News Briefs

Midland Fire Department No. 1 wishes to inform the residents of Midland and vicinity that in case of fire to dial Homestead 3-5111 or dial O for operator and ask for Midland Fire Department. For private calls to Fire Department dial Homestead 3-4902.

Shooting Matches are being held on the Shaft Fire Hall ground every Saturday from 1 to 5 p. m. Prizes are turkeys and hams.

Robert Wilson son of Mr. and Mrs. Robert Wilson, Gilmore, will be inducted into the U. S. Army this week.

Word has been received from Mrs. V. R. Broadwater, the former Miss Jeannette Jones, who is stationed with her husband Vernon Broadwater with the Navy in Naples, Italy, that news of the tragic accident in LaVale that took the lives of five persons, was heard over the AFN Radio Station and also was in the Rome Daily American Newspaper.

Fellowship Supper Arranged Wednesday

PIEDMONT — A fellowship supper will be held at the Presbyterian Church Wednesday at 6:15 p. m. sponsored by all the circles of the church, and the members of the choir will be guests of honor. The Women of the church will meet after the supper. A book review will be given by David Nuzum. The program on "Stewardship" will be conducted by Mrs. Foster Daniels.

Boosters To Meet

MT. SAVAGE—There will be a meeting of the Band Boosters and Parents Club in the music room of the Mt. Savage High School this evening.

The Band Parents executive board met with the principal, Alfred Benna, at his home recently. Matters pertaining to the band's making money were discussed with him.

All members of the Band Boosters and Parents Club are urged to attend the meeting Monday evening.

Homemakers Aid School Band Fund

MT. SAVAGE — The Mt. Savage Homemakers held a card party recently at the home of Mrs. Roy Deffenbaugh. The purpose of the card party was to raise money to pay for instruments for the school band.

Food chairman was Mrs. Eula Frenkenberry, assisted by Mrs. Belva Miller, Mrs. Rita Cunningham, Mrs. Faye Benna, and Mrs. Sarah Carter. In charge of tables were Mrs. Hazel Swauger, Mrs. Doris Crowe, Mrs. Mary Deffenbaugh, Mrs. Gertrude Reagan, and Mrs. Isabel Adams.

Refreshments were served and prizes were awarded to Mrs. Elizabeth Jenkins, Mrs. Joseph Malloy, Mrs. Irma Miller, and Mrs. Ida Mae Snyder.

Deaths

MRS. NELLIE HAMILTON
FROSTBURG — Mrs. Nellie (Jones) Hamilton, 68, Zihlman, died early yesterday morning in Miners Hospital.

She was the widow of Robert Hamilton and a daughter of William and Sarah (Downton) Jones. Surviving are two daughters, Mrs. John Conrad, here; Mrs. Harry Keister, Midlothian; a son, Clarence Hamilton, at home.

Three sisters, Mrs. Mary Porter Hamilton, Winchester Road; Mrs. Minnie Black, Barberton, Ohio; Mrs. Annie Williams, here; a brother, George Jones, here; nine grandchildren and six great grandchildren.

The body is at the Hafer Funeral Home here where it will remain until noon tomorrow when it will be taken to the Allegheny Methodist Church where a service will be conducted at 2 p. m.

Rev. Wilbur H. Grose, pastor, will officiate, and interment will be in Frostburg Memorial Park.

HENRY W. MALONE

Henry W. Malone, 73, of Fort Ashby, died yesterday in Memorial Hospital. A former carman's helper with the B&O Railroad, he retired in 1938.

A native of Pattersons Creek, he was a son of the late Michael and Alice (Alkire) Malone. He was a member of the Methodist Church. Surviving are his wife, Sallie (Haines) Malone, and the following children: Clarence M., Charles H., Jack D., Ralph G. Malone, Mrs. Irene Kesner, Mrs. Eva Riley, all of Fort Ashby; Miss Dorothy Malone, Baltimore.

Mrs. Hazel Kesner, Mrs. Virginia Davis, Mrs. Patience Miller, all of Ridgeley; Van W. Malone, RD 4, city; Mrs. Jean Reeves, city; Mrs. Mary Sine, Levels, W. Va.; Mrs. Edith Grayson, Quantico, Va.; and Marshall K. Malone, Nashville, Tenn.

Also surviving are two brothers, Jacob Malone, Route 2, Keyser; Heiskell Malone, Oakland; a sister, Mrs. Sallie Broome, Fort Ashby; 47 grandchildren and eight great grandchildren.

The body is at the George Funeral Home.

Births Announced

FROSTBURG—Two births have been announced at Miners Hospital:

Mr. and Mrs. Robert Moran, Mt. Savage, a son yesterday.

Mr. and Mrs. Joseph Robertson, Eckhart, a son Saturday.

Card Club Meets

MT. SAVAGE — The BB Card Club met at the home of Mrs. George Shaffer recently. Refreshments were served and prizes were won by Mrs. Mary Agnes King, Miss Joan Geary, and Mrs. Joan Logsdon. Birthday greetings were sung to Mrs. Shaffer. The next meeting of the club will be held at the home of Mrs. Mary Alice Windemuth, December 1.

Barbara Harr Is Named Queen Of Junior Fair

Coronation Event
Scheduled Friday

PIEDMONT—Miss Barbara Harr, a senior of Piedmont High School, has been selected as Queen of the Annual Junior Fair to be held in the school auditorium Friday evening. Edward Orndorff will be her escort.

Principal Vernon A. Staggars will crown the queen during the coronation ceremonies at 8 p. m. Elrose Tibbetts, 1954 queen will present a bouquet of roses to Miss Harr.

Representatives of the area schools and the sophomore and junior classes of Piedmont High School will take part in the program.

They will include Jeanne Paugh and Glenn Tephachock, Elk Garden; Frances Crowe and Carleton Ahern, St. Peter's, Westernport; Barbara Brant and Robert Goller, Fort Ashby; Joanna Weaver and Mike Zollner, Ridgeley; Eva Louise Knight and Robert Kertesz, Bruce High School, Westernport; Patricia Healy and John Lupis, Potomac State College, Keyser; Patricia Doll and Richard Kephart, Keyser High School; Margaret Alkire and Russell Metcalfe, junior class of Piedmont High School and Anne Drane and Joseph Niland, sophomore class.

After the coronation a pageant composed of dances of different countries will be presented by the elementary school children. The theme of the pageant will be, "The Spirit of the United Nations."

Mary Ann McDonald will represent the "Spirit of United Nations." Others taking part are John Niland and Pat Green, buglers; Penny Baker, crownbearer; Carrie Lynn Green, Janie Ashenfelter, Deborah Wilson, Charles Grove, Frederick Hokamp, Richard Sarfino, attendants; and Judy and David Walker, dancing duet. Music for dancing will be provided by Barberians of Keyser.

Auxiliary Hears District Report

WESTERNPORT — A report on the district meeting of the American Legion Auxiliary Units held at Frostburg was given at a recent meeting of Victory Unit 15 by Mrs. Owen Rhodes and Mrs. Margaret Harris.

The local unit was honored at the district meeting by receiving three certificates for outstanding work which included: rehabilitation, community service and Unit activities.

At the meeting the auxiliary ordered a donation of \$25 for Christmas gift project for the veterans at Perry Point and Fort Howard Hospitals.

A Christmas party will feature the December meeting. It will include a covered dish supper and an exchange of jingle gifts. Mrs. Lulu Fazenbaker is arranging a musical program.

Card Party Set

FROSTBURG — The Catholic Women's Organization of St. Michaels Church will hold a card party and bake sale tomorrow at 8 p. m. at the K. of C. Hall. There will be refreshments and prizes. Bridge and 500 will be played, and players are asked to bring their own cards.

WHY PAY FOR RECKLESS DRIVING?

My company aims to insure only careful drivers. As a result, claims costs are lower and the savings are passed along to policyholders in the form of lower cost insurance. Find out today if you can qualify for State Farm Insurance as a careful driver. Just phone me.

STELLAR ROLES—Sandra Dillon, (left) daughter of Mrs. Helen Dillon, Dudley, will have the stellar role as "Musette, a gypsy fortune teller," a soprano, in the operetta, "The Fortune Teller" to be presented November 16 at 8 p. m. at Valley High School auditorium. Ann Perry Chappell, (right) daughter of Mr. and Mrs. Harry Chappell, Island Street, Lonaconing, will portray the character of "Vaninka, Musette's mother," alto, in the two-act operetta.

Mt. Savage High Juniors Offer Three Plays

MT. SAVAGE—The Junior Class of Mt. Savage High School will present three one-act plays composed of comedy, mystery and fantasy November 17 at 8 p. m. in the school auditorium.

The fantasy, "This Way to Heaven," by Douglas Parkhurst will have Ruby Ann Rice and Larry Stowell in the stellar roles of Gram and Mr. Flanagan. Others in the cast are James Harden as Charlie Baker, a newspaper reporter; and Janet Fair, Grant's daughter.

"Angel Child," a comedy by James Reach is a typical humorous family play. Cora Rice, as Amy Cramer, will play the leading role; supported by Margie Holt as Sadie, the Polish Maid; James Miller as Kenny Cramer; Mary Frances Lee in the mother role; Jane Rizer as the bashful older sister; and George Bishields as her boy friend.

"Fright" also by James Reach will provide the horror and terror ingredient for the evening. James Henckel as John Fairbridge a well-to-do business man, has the stellar role. Others in the supporting roles are JoEllen Hartman, Martha Ann Lewis, Roger Frankenberg and Roger Duckworth.

Eastern Star Entertains

MT. SAVAGE—Rebecca Arnold Chapter No. 57, OES, entertained members and officers of McKinley Chapter No. 12, OES, Cumberland, a recent evening.

Eliminating An Evil From The Highways

For attacking an evil that cannot be tolerated in this day of heavy highway traffic, the federal Food and Drug Commission deserves the commendation of every citizen of this nation on wheels. The commission should be prodded to continue its energetic drive against the sale of stimulating drugs to truck drivers.

A year of secret investigation by agents of the commission has resulted in the arrest of 42 persons, in six states, who were connected with truck stops, service stations, cafes and drug stores where truck drivers obtained "goof balls," also known as "bennies" and "co-pilots." Truck drivers take these amphetamines to help them stay awake on long trips.

Not all truck drivers, it should be added hastily, nor most of them. Commissioner George P. Larrick says that the "great majority" of working truckmen observed by his agents did not use the drugs. Of course, truckmen generally steer clear of this pitfall.

But those who use these drugs are a menace—and evidently enough truck drivers use them to warrant grave concern over the extent of this menace. Larrick says the arrests already made are "a good beginning." The news story referred to indications that the drive will be carried on in other states. This traffic in drugs is clearly some thing to worry about.

The Larrick statement points out that drivers overstimulated by artificial methods to keep awake are subject to errors of judgment that are likely to cause accidents.

A truck driver guiding thousands of pounds of heavily-loaded vehicle over today's crowded highways should be in full possession of his faculties at all times. It is a monstrous deed to sell him drugs that can cause his death and bring death to innocent persons. The federal men should have the full cooperation of state authorities in this campaign to remove a needless hazard from the nation's roads.

These Days

By George E. Sokolsky

They Didn't Tell

It is startling, at this date, to read that President Roosevelt and Secretary of War Stimson actually believed that their Manhattan Project and the atom bomb were so secret that they would not tell Vice President Harry Truman about it. After Truman held his first cabinet meeting as president, Stimson stayed behind to tell him what was going on. Truman says in his memoirs: "... Stimson told me that he wanted me to know about an immense project that was under way—a project looking to the development of a new explosive of almost unbelievable destructive power. That was all he felt free to say at the time, and his statement left me puzzled. It was the first bit of information that had come to me about the atomic bomb, but he gave me no details ..."

If this business was really so secret, why did not the Pentagon set up an adequate security system? The FBI was kept out of it but not Dr. Klaus Fuchs who, although a known Communist, was permitted to enter this country and to work at the Manhattan Project. We now know that Fuchs stole the bomb with the assistance of the Rosenberg spy ring. What else was stolen there we do not know.

But not only was the vice president kept in ignorance but the Congress. Harry Truman recounts that when he was chairman of a Senate committee investigating the national defense, Stimson came to him. This is the way Truman recounts it:

"Senator," the secretary (Stimson) told me as he sat beside my desk, I can't tell you what it is, but it is the greatest project in the history of the world. It is most top secret. Many of the people who are actually engaged in the work have no idea what it is, and we who do would appreciate your not going into those plants."

Perhaps had Harry Truman made his investigation, he would have learned that the secret was already out, that the Russians had already stolen it, that the United States was living in a fool's paradise.

The day may come when the British government will pluck up the courage to tell Parliament what they know about the crimes of Burgess and Maclean. When they were in this country as British officials, they were Russian agents. Whatever passed between the American and British governments they had.

General Douglas MacArthur has testified that his battle orders were passed on to the enemy in the Korean War. He investigated thoroughly and there is no doubt in his mind that there was no leak in Korea and no leak in Tokyo. The leak must have been in Washington. The Chinese Communists, for instance, knew, and it has been established by captured documents, that he was forbidden to pursue the enemy into the Manchurian sanctuary. In fact, there is belief that the Chinese Communists knew that MacArthur would receive such an order before MacArthur did.

There has been some speculation that the leak was in the State Department. Suppose the American government engaged upon discussions with the British government concerning this decision and the documents, back and forth, passed over the desks of Burgess and Maclean. And suppose they made copies and passed them on to their Russian masters. Knowledge of the truth, if it did nothing else, would cleanse the reputations of suspected Americans.

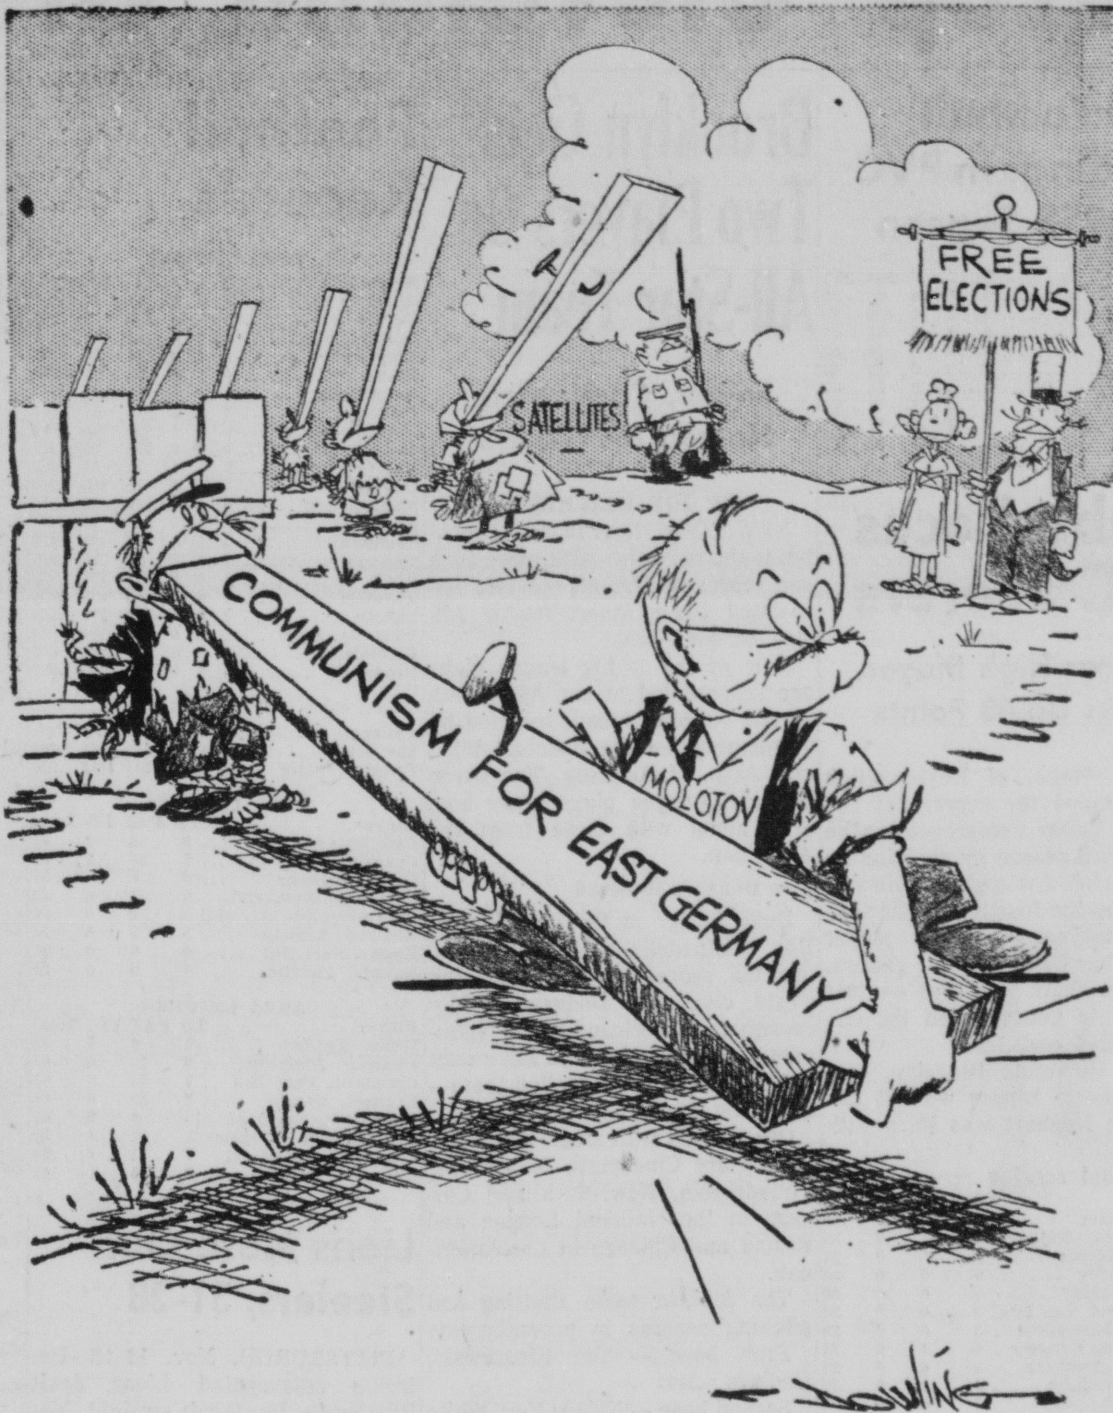

Herbert Morrison in the British Parliament has been pressing Sir Anthony Eden to tell the whole truth about these scoundrels. We do not know how much Eden knows, but the explanations given thus far are not plausible and are apparently not being accepted in Great Britain.

From the American standpoint, it would be sufficient if we were told that the discussion about the Manchurian sanctuary did pass over the Burgess and Maclean desks because it would explain the difficulties which General MacArthur faced; it would explain the death of General Walton H. Walker; it would force Dean Acheson's critics to revise their judgment of him.

Our own State Department must know more about this situation than has been made public. Perhaps the cover-up is a matter of habit. It is even possible that it is this habit which has produced so much rancor against congressional investigations. But the truth must be revealed in Washington or in London because men's historic reputations are at stake, and just as Harry Truman wrote his memoirs, so will these other men.

"This Is The Way It's Going To Be"

Winter Ahead May Be One Of Alarm For U. S.

By Joseph and Stewart Alsop

WASHINGTON
This is evidently going to be a winter of alarm, if not of worse. The Middle Eastern crisis, with its strong threat of a new Arab-Israeli war, has already caught American diplomacy between wind and water. And in the inner rooms of the administration, the likelihood of a new Far Eastern crisis in February or March is already being nervously discussed.

On this point, it is understood, the astute U. S. ambassador to Moscow, Charles E. Bohlen, had something to say before he left for the current disastrous meeting at Geneva. It was part of a thoughtful analysis of the relations between the Soviet Union and Communist China. This analysis was given at the State Department by Bohlen, but aroused such interest, that it is being rather widely quoted.

Ominous Parallel Drawn

With the great majority of Western diplomats, Bohlen held that the Soviets have consistently sought to influence their Chinese junior partners towards a cautious policy. But he suggested, too, that this mysterious but vital relationship between the Kremlin and the forbidden city might well resemble the relationship between Imperial Germany and Imperial Austria before the first World War. The parallel, if correct, is ominous, because of the central fact of the old German-Austro-Hungarian alliance was the ultimate ability of the Austrian junior partner to commit the German senior partner. In 1914, neither the German emperor, Wilhelm II, nor the grandees of the German General Staff at all desired a European war. But without consulting the German government, the Austro-Hungarian government responded rashly to the assassination at Sarajevo. The junior partner thus became committed to fight. And since the senior partner could not permit the junior partner to be destroyed, the senior partner had to fight too.

It was precisely the realization that the Germans would have to back them up in the end, that encouraged the Austrians to be rash. And if this is in fact the way the Chinese Communists look at their alliance with the Soviets, then the Kremlin's pleas for caution cannot be absolutely counted on to enforce caution. That is one side of the medal. The other side of the medal is the mass of information now available about Chinese Communist military preparations in the Formosa Strait region. This is what causes a Far Eastern crisis to be predicted for the late winter or early spring.

Air Force Strengthened

These preparations take three forms. First, the Chinese Communist air force, which has been by far the largest air force in Asia for at least two years, has been further strengthened in recent months by new aircraft deliveries from the Soviet Union. Details of this increase of power are not

available. But it is stated to be on the order of a 10 per cent increase. And it is highly significant, since it upsets the optimistic earlier estimate that the Chinese had stabilized their air power on a level of about 1,900 aircraft.

Second, the redeployment of the Chinese Communist Air Force to central and southern Chinese bases has continued. These are the bases that bear on Formosa. If the obsolete World War II planes of the Chinese Nationalists are not counted in the balance, the ratio of air power between Nationalist and Communist was already on the order of one to four in favor of the Communists six months ago. Despite subsequent deliveries of jet fighters to Formosa, the ratio is probably even worse today.

Third and most serious, enormous construction works are going forward. These will make possible the massive Chinese Communist air attacks on the disputed off-shore islands in the Formosa Strait, Quemoy and the Matsu chain.

Baering Down on The News

By Arthur "Bugs" Baer

Question before the house is whether our junketing congressmen have return postage guaranteed.

Democrats claim the administration pets were throwing their weight around like a fat boy in a barn dance. And they they escalated home from Europe in special planes equipped with spare champagne tanks.

It all depends on whose ox is being barbecued. The Democrats have a majority in Congress and can shake the dice up in a hat.

They can call the turn like Arthur Murray giving a waltz lesson.

The investigation flickered out like a short-circuited lightning bug. Every congressman had a round-trip ducat and was paying his way like a whale in Captain Ahab's barrels.

The congressmen were in Europe to make friends. It's possible they did. In Europe.

They're all home safe and sound. And no politician is safe and sound who can open one without making the other.

Ike Believes Chief Justice Warren Will Be Best Vote-Getter For GOP

By Drew Pearson

WASHINGTON — Now that the President is back in Washington, it can be revealed that he has finally talked politics with one of his close advisers, including the question of whether he would run again.

In fact, he discussed the question at great length, and expressed the opinion that Chief Justice Earl Warren would be the best vote-getter the Republicans could possibly nominate.

The strategy of presidential advisers heretofore has been not to push Ike regarding a decision about himself. They have wanted to wait, give him time to regain his strength, fearing that if a decision had to be reached now, the President would say flatly no.

His disposition before he became ill was not to run, and White House advisers knew it would be even more negative now.

That was one reason why the doctors at Denver cooperated in postponing their diagnosis date from January 1 to around March 1 to decide on Eisenhower's complete recovery.

In the recent talk, the President, while discussing the entire situation, was strong in his praise of the chief justice as a great leader and a man who could amalgamate all sections of the Republican party and nation.

The question of Vice President Nixon's future even came up during this conversation, since, if Warren was leading the ticket, Nixon, who also comes from California, could not run for vice president again. It was suggested during the course of the discussion that Nixon could be given a place in the cabinet, thus satisfying his ambitions and ability.

Just how Chief Justice Warren could be persuaded to run may be another matter. He has repeatedly told friends in the most emphatic terms that he would not leave the Supreme Court for the political arena. However, if the President personally asked him to do so, he might be more favorably inclined.

Mamie's Birthday

Today is Mrs. Eisenhower's birthday, also incidentally Sen. Joe McCarthy's, and P. I. H. Naylor, the British astrologist, has some interesting predictions about both Joe and Mamie. Regarding Mamie, he predicts she will bow out of public life. For McCarthy, he sees a comeback, though not a long one. "There must be something about these mid-November dates that are fated for Mr. Eisenhower," says astrologist Naylor. "The threat of ill health that lies over the President overshadows his wife too. Between them they'll probably agree to call it a day and turn down any idea of a second term." McCarthy "has been in the wilderness of late but in the coming three or four years is slated for a very good run indeed. However, nemesis overtakes him early in 1960 and from a man of his type is likely to exert a heavy penalty. Probably he belongs to the group that fancies a crowded hour of glory rather than a long life. If so, it looks as though he is going to realize his ambition around his 50th year." Of Gov. Averell Harriman, born on November 15, the astrologist says: "It looks as though the people will plunge for something a little more lively in the way of a president."

Headlines and Footnotes

A unique election takes place on the West Coast this week. It isn't for any state or city office but for the head of a labor union. Some labor unions shun free and open elections. John L. Lewis permits no coal miner to challenge his authority. But in Los Angeles this week, Joe De Silva, dynamic head of the Retail Clerks, is not only staging free and open elec-

tions to let anyone replace him if they want, but anyone who doesn't get out and vote is fined \$25. De Silva is the man, who, long before Lewis got a welfare fund for the coal miners, worked out a deal with Henry Kaiser's Permanenti Hospital in Los Angeles whereby it takes care of the health of every union member free. He also publishes his local union's financial records for all the world to see. The Republican high command considered unusual steps to try to elect young Thatcher Longstreth as GOP mayor of Philadelphia. It was even willing to offer an ambassadorship to Walter Annenberg if his Philadelphia Inquirer would not support Democrat Dick Dilworth. The offer, though all wrapped up and ready, was finally stymied for fear Annenberg would have got sore. Though a Republican, he supported Dilworth. Police have been tipped off in Los Angeles that two goons have been approached by the mob to bump off a prominent labor leader in that city.

Mrs. Hobby's Old Office

Things have been looking different around the bleak halls of the Department of Health, Education and Welfare since Mrs. Hobby departed.

A day or two after Marion B. Folsom took over, he walked into the press office and announced:

"I don't think we've got any secrets here. When we do something, the public is entitled to know about it."

Result No. 1, as a veteran member of the press corps put it: "Folks are wearing smiles around here again."

Result No. 2: A flow of real news to the press such as was unknown in pre-Folsom days.

Example: He has just issued a release telling how \$56,667,227 worth of surplus property was distributed to the states, with the breakdown by states, during the quarter ended September 30.

Mrs. Hobby's attitude was: "Oh, just send the reports to Congress as required by law. The press can pick the information up there if it wants to."

Character Audits

By Roger W. Babson

BABSON PARK, MASS.—We have approached the stage where we must consume our reserves of natural resources with more caution and wisdom. Unfortunately, too many of us have looked upon these vast resources as nature's gifts, to be used as desired. Our minerals and forests have therefore been used too freely, although we have achieved one of the highest standards of living.

Through our skillful utilization of coal, iron, aluminum, copper, and other raw materials, our work has been made easier. We have more leisure, so that we may follow cultural pursuits. However, this leisure, to be meaningful, should include pursuits which add to our spiritual values and not those which further our pleasures or promote more technical achievements.

Resources May Be Depleted

The wisest industrial leaders have begun to look to the time when some of our precious natural resources will be depleted. With plans for solar, atomic, and gravity power still only in development stages, for war or peacetime uses, we especially need to conserve our resources so that we may make the best possible use of them. We should, therefore, be more careful of our ore, forest, and oil reserves. We are already replenishing our woodlands by reforestation — and are using better methods of soil enrichment, fertilization, and cultivation so that each acre of farm land will yield more efficient crops.

We have also realized that we must search for new and additional reserves of natural resources, not only here, but also all over the world. More countries will then be able to develop their own industries and agriculture, so that more people may benefit therefrom. Each country will produce those items which it is able to turn out most efficiently. Then, these products will be exchanged so that all industries may be used to the best advantage of everyone, everywhere.

The Ultimate Goal

The ultimate goal of the wise use of natural resources is to raise the standard-of-living, and it is important

to keep this goal in mind. Moreover, it is just as important to emphasize the building up of spiritual resources as of physical resources. Our nation's true power is its spiritual strength.

Therefore, in our attempt to conserve natural resources in order to attain material well-being, we must emphasize the dignity of the individual. This country has become the richest nation in the world. We must now show our leadership by building up our spiritual and other human resources.

How To Develop Spiritually

Most readers are asking for a practical method of developing this nation spiritually. I, of course, am very happy with the example which President Eisenhower has set us by attending church services regularly and trying to make Sunday different from other days. I also appreciate his opening his cabinet meetings with silent prayer. Certainly the habit of family prayers, under which I was trained, was a great factor in my life. I believe that Bible reading in the public schools should be retained. When I think of my ancestor, Rev. John Rogers, who was burned at the stake February 6, 1555, for translating and distributing the Bible, I feel ashamed of myself for the little effort I am making to increase Bible reading, especially the reading of the modern condensed Bibles such as the "Soul of the Bible," or "Reeve's Brief Bible."

When admitting students to Babson Institute, we do not ask whether they are Protestant, Catholic, Jewish, Hindu, or Moslem, but we are greatly interested in their character and hope they pray to the universal Father. The nation must, however, go even further; we must see that our corporations are led by men of character. I forecast the day when auditors of corporations will report statistics to stockholders indicating the character and health of the leading executives just as they now give financial statistics. This is perhaps the most important thing we could do to assure continued prosperity and avoid a severe business depression.

You're Telling Me!

By William Ritt

Only one woman in 10 can pass a real beauty test, declares a beautician. However, you got to admit the girls keep trying.

Nationality of a baby girl born on a Canada-to-England Dutch plane while it was flying over United States territory has authorities puzzled. Never had such complications, grumbles Grandpappy Jenkins, when the stork brought 'em.

In Georgia a farmer charged his cows got tipsy drinking from a stream in which bootleg likker had been dumped. Bossy, on the other hand probably would like moo of the same.

An international plowing tournament, held in Canada, was a financial flop. Apparently the boys failed to strike pay dirt.

A new electronic brain which directs traffic can also play chess. Gosh! Those things are getting so human they even have hobbies!

News story tells about some underground activity at the Hanford, Wash., atomic works. Seems a bunch of jackrabbits have been chomping up roots of flower bushes and shrubs decorating the place.

The National Institute of Dry-cleaning reports 30 per cent of stains on vests and neckties are from gravy and other edibles. Maybe we're a bit careless but you gotta admit we're eatin' good!

India's Prime Minister Nehru has sent an elephant to a Canadian city zoo, at the request of a five-year-old boy who, the news story says, "wrote to him two years ago." Never mind the pachyderm — let's see a picture of the kid who could write at age three!

Try And Stop Me!

By Bennett Cerf

New York's Robert Moses says, "apt humor is always a sharp weapon against Ciceronian orations."

As an example he cites a hot debate socialite Courtlandt Nicoll once had with the late Jimmie Walker in the New York Senate over the late lamented five-cent subway fare. Nicoll argued that the fare must be doubled at least, and was thorough, persuasive, irrefutable. He exhausted the subject and the Senate.

Then Beau Jimmie breezed in, late as usual and, with head cocked, waived at Nicoll, glanced owlishly at the Senate clock, and said, "My colleagues, it's very late. I cannot hope to compete with my friend Corty's oratory. I have only one thing to say to my good friend from our Silk Stocking District. Corty, my boy, you have

gone pretty far for a Nicoll yourself!"

Nicoll realized that—for the time being, at least—the five-cent fare was not going to be changed!

McCarthy "has been in the wilderness of late but in the coming three or four years is slated for a very good run indeed. However, nemesis overtakes him early in 1960 and from a man of his type is likely to exert a heavy penalty. Probably he belongs to the group that fancies a crowded hour of glory rather than a long life. If so, it looks as though he is going to realize his ambition around his 50th year."

Of Gov. Averell Harriman, born on November 15, the astrologist says: "It looks as though the people will plunge for something a little more lively in the way of a president."

Headlines and Footnotes

A unique election takes place on the West Coast this week. It isn't for any state or city office but for the head of a labor union. Some labor unions shun free and open elections. John L. Lewis permits no coal miner to challenge his authority. But in Los Angeles this week, Joe De Silva, dynamic head of the Retail Clerks, is not only staging free and open elec-

Incomplete But Useable

In addition, a vast labor force has been recruited to build two rail lines through the grim mountains that surround Fukien Province, in order to supply these new Fukien airfields. One is to have its terminus at Fochow, which is close to the Matus; and the other rail lines run to the important second coastal port, Amoy, whose harbor is blocked by the Nationalist garrison at Quemoy.

Work on the rail lines is proceeding night and day. They will not be completed in the conventional manner by next winter. But they will be useable in the way that the secret rail line that supplied the Communists at Dien Bien Phu was useable. In other words, all the easy links will be built, leaving only short gaps over which men and mules can carry the needed supplies. Dien Bien Phu is proof enough of the ability of the Communists to move very large tonnages in this manner.

All this means that in February or March the Chinese Communists will have the capability of inaugurating an air blockade of the Matus and Quemoy. Combined with heavy and continuous shelling of these little islands, a successful Communist air blockade should be enough to take the Nationalist island positions. The urgency of the work on the airfield and rail lines suggests that this is the Chinese Communist intention. If so, the Eisenhower policy-makers are going to be confronted with about the nastiest choice they have yet had to make.

tions to let anyone replace him if they want, but anyone who doesn't get out and vote is fined \$25....

De Silva is the man, who, long before Lewis got a welfare fund for the coal miners, worked out a deal with Henry Kaiser's Permanenti Hospital in Los Angeles whereby it takes care of the health of every union member free. He also publishes his local union's financial records for all the world to see. The Republican high command considered unusual steps to try to elect young Thacher Longstreth as GOP mayor of Philadelphia. It was even willing to offer an ambassadorship to Walter Annenberg if his Philadelphia Inquirer would not support Democrat Dick Dilworth. The offer, though all wrapped up and ready, was finally stymied for fear Annenberg would have got sore. Though a Republican, he supported Dilworth. Police have been tipped off in Los Angeles that two goons have been approached by the mob to bump off a prominent labor leader in that city.

Mrs. Hobby's Old Office

Things have been looking different around the bleak halls of the Department of Health, Education and Welfare since Mrs. Hobby departed.

A day or two after Marion B. Folsom took over, he walked into the press office and announced:

"I don't think we've got any secrets here. When we do something, the public is entitled to know about it."

Result No. 1, as a veteran member of the press corps put it: "Folks are wearing smiles around here again."

Result No. 2: A flow of real news to the press such as was unknown in pre-Folsom days.

Example: He has just issued a release telling how \$56,667,227 worth of surplus property was distributed to the states, with the breakdown by states, during the quarter ended September 30.

Mrs. Hobby's attitude was: "Oh, just send the reports to Congress as required by law. The press can pick the information up there if it wants to."

Character Audits

By Roger W. Babson

BABSON PARK, Mass.—We have approached the stage where we must consume our reserves of natural resources with more caution and wisdom. Unfortunately, too many of us have looked upon these vast resources as nature's gifts, to be used as desired. Our minerals and forests have therefore been used too freely, although we have achieved one of the highest standards of living.

Through our skillful utilization of coal, iron, aluminum, copper, and other raw materials, our work has become easier. We have more leisure, so that we may follow cultural pursuits. However, this leisure, to be meaningful, should include pursuits which add to our spiritual values and not those which further our pleasures or promote more technical achievements.

Resources May Be Depleted

The wisest industrial leaders have begun to look to the time when some of our precious natural resources will be depleted. With plans for solar, atomic, and gravity power still only in development stages, for war or peacetime uses, we especially need to conserve our resources so that we may make the best possible use of them. We should, therefore, be more careful of our ore, forest, and oil reserves. We are already replenishing our woodlands by reforestation — and are using better methods of soil enrichment, fertilization, and cultivation so that each acre of farm land will yield more efficient crops.

We have also realized that we must search for new and additional reserves of natural resources, not only here, but also all over the world. More countries will then be able to develop their own industries and agriculture, so that more people may benefit therefrom. Each country will produce those items which it is able to turn out most efficiently. Then, these products will be exchanged so that all industries may be used to the best advantage of everyone, everywhere.

The Ultimate Goal

The ultimate goal of the wise use of natural resources is to raise the standard-of-living, and it is important to keep this goal in mind.

Moreover, it is just as important to emphasize the building up of spiritual resources as of physical resources. Our nation's true power is its spiritual strength.

Therefore, in our attempt to conserve natural resources in order to attain material well-being, we must emphasize the dignity of the individual. This country has become the richest nation in the world. We must now show our leadership by building up our spiritual and other human resources.

How To Develop Spiritually

Most readers are asking for a practical method of developing this nation spiritually. I, of course, am very happy with the example which President Eisenhower has set us by attending church services regularly and trying to make Sunday different from other days. I also appreciate his opening his cabinet meetings with silent prayer. Certainly the habit of family prayers, under which I was trained, was a great factor in my life. I believe that Bible reading in the public schools should be retained. When I think of my ancestor, Rev. John Rogers, who was burned at the stake February 6, 1535, for translating and distributing the Bible, I feel ashamed of myself for the little effort I am making to increase Bible reading, especially the reading of the modern condensed Bibles such as the "Soul of the Bible" or "Reeve's Brief Bible."

When admitting students to Babson Institute, we do not ask whether they are Protestant, Catholic, Jewish, Hindu, or Moslem, but we are greatly interested in their character and hope they pray to the universal Father. The nation must, however, go even further; we must see that our corporations are led by men of character. I forecast the day when auditors of corporations will report statistics to stockholders indicating the character and health of the leading executives just as they now give financial statistics. This is perhaps the most important thing we could do to assure continued prosperity and avoid a severe business depression.

You're Telling Me!

By William Ritt

Only one woman in 10 can pass a real beauty test, declares a beautician. However, you got to admit the girls keep trying.

Nationality of a baby girl born on a Canada-to-England Dutch plane while it was flying over United States territory has authorities puzzled. Never had such complications, grumbles Grandpappy Jenkins, when the stork brought 'em.

In Georgia a farmer charged his cows got tipsy drinking from a stream in which bootleg likker had been dumped. Bossy, on the other hand probably would like moo of the same.

An international plowing tournament, held in Canada, was a financial flop. Apparently the boys failed to strike pay dirt.

A new electronic brain which directs traffic can also play chess. Gosh! Those things are getting so human they even have hobbies!

News story tells about some underground activity at the Hanford, Wash., atomic works. Seems a bunch of jackrabbits have been chomping up roots of flower bushes and shrubs decorating the place.

The National Institute of Dry-cleaning reports 30 per cent of stains on vests and neckties are from gravy and other edibles. Maybe we're a bit careless but you gotta admit we're eatin' good!

India's Prime Minister Nehru has sent an elephant to a Canadian city zoo, at the request of a five-year-old boy who, the news story says, "wrote to him two years ago." Never mind the pachyderm—let's see a picture of the kid who could write at age three!

A new wonder drug, fed to cattle, makes steaks grow faster, according to a Washington item. As an old Indian friend of ours used to remark: "That heap good medicine!"

Diabetics: There Is No Substitute For Insulin

By Dr. Theodore R. Van Deilen

Insulin has saved the lives of millions of diabetics. Our younger generation cannot appreciate what the disease was like before the discovery of the hormone. It was a pathetic sight for the family to witness the slow death of the victim. The physician had nothing to offer except a starvation diet.

The family could not be blamed for turning to any quack product that offered hope. Most of these concoctions were harmless, but useless, and consisted of herbs, simple extracts, and drugs that

stimulated the kidneys. They worked occasionally, in the misdiagnosed, for example, and in older folk in whom the condition was mild.

The young and middle aged, on the other hand, were not helped and those who had the gall to sell patent medicines to these patients were taking advantage of misfortune.

The discovery of insulin in 1921 changed all this. Thousands of

youngsters were snatched from the jaws of death and these startling results convinced physicians that this was it. One of the first diabetics in Chicago to receive insulin was a lad who is now a leading physician at the Mayo Clinic. He dedicated his life to the study and practice of diabetes and related disorders.

All reputable physicians are in agreement that there is no substitute for insulin and that it is effective only by injection. Years ago, as a research project, I mixed insulin with innumerable substances, trying to find a satisfactory oral combination. Undoubtedly my experiments have been repeated and expanded by others, but as of this moment, no one has been able to improve on the hypodermic method.

But even today, quackery is still with us. Many individuals and companies have grown rich peddling substitutes for insulin. One of the most infamous was a mixture of vinegar and salt-peter, which was sold for \$30 a gallon to diabetics all over the country. The firm was forced out of business when several deaths were attributed to their skullduggery. These patients would have lived had they received insulin.

Various substances also are promoted to be taken in conjunction with insulin, to enhance its efficacy so that less is needed. The value of such products is highly questionable because the average diabetic insulin requirements vary from week to week.

At times a smaller dosage is called

Try And Stop Me!

By Bennett Cerf

New York's Robert Moses says, "apt humor is always a sharp weapon against Ciceronian orations."

As an example he cites a hot debate socialite Courtlandt Nicoll once had with the late Jimmie Walker in the New York Senate over the late lamented five-cent subway fare. Nicoll argued that the fare must be doubled at least, and was thorough, persuasive, irrefutable. He exhausted the subject and the Senate.

Then Beau Jimmie breezed in, late as usual and, with head cocked, waived at Nicoll, glanced owlishly at the Senate clock, and said, "My colleagues, it's very late. I cannot hope to compete with my friend Corty's oratory. I have only one thing to say to my good friend from our Silk Stocking District. Corty, my boy, you have

gone pretty far for a Nicoll yourself!"

Nicoll realized that—for the time being, at least—the five-cent fare was not going to be changed!

Philadelphia Eagles Stop Cleveland Browns, 33-17

Adrian Burk's Play Features Pro Loop Tilt

Stribling Catches Six Passes For 123 Yards And Two TDs

PHILADELPHIA, Nov. 13 (AP)—The Philadelphia Eagles spotted the champion Cleveland Browns 17 points in the first quarter and then rallied behind the effective passing and running of quarterback Adrian Burk, the sensational receiving of end Bill Stribling and a defensive unit which pressured the usually efficient Browns into numerous mistakes, to win 33-17.

Burk, sometimes referred to as an "arm chair quarterback," found his running legs today, carrying the ball six times for 34 yards and one touchdown.

The unexpected running of the former Baylor star opened up the usually tight-knit Cleveland defense and enabled him to complete 12 passes for 198 yards and two touchdowns.

Burk's favorite target on this warm, sunny afternoon before a standing room crowd of 39,303 fans, was 6-foot-1 Stribling, an end released last year as washed up by the New York Giants and signed by the Eagles as a free agent.

Stribling caught six passes for 123 yards and two touchdowns. Almost all of his receptions were sensational.

This second defeat against six victories for the Browns was a mite fantastic to anyone who saw Otto Graham and his mates clobber the Eagles for a 17-0 lead in the first quarter. Before the game was 12 minutes old, Lou Groa had kicked a 17-yard field goal, Graham had lobbed a picture pass to Ray Renfro for a 61-yard touchdown, and Graham had scored on a one-yard quarterback sneak.

You would have sold the Eagles down the river for a well-used football, but Burk, undisturbed by his efforts in previous games this year, rallied his team and for the last three quarters you would have thought it was the Eagles who led the Eastern Conference of the NFL and not the haughty Browns.

Cleveland 17 0 0 0-17
Philadelphia 0 10 6 17-33

Cleveland scoring—Touchdowns: Renfro (69, pass from Graham); Graham (1, sneak); Conversions: Groza 2. Field goal: Groza (17).

Philadelphia scoring—Touchdowns: Stribling 2 (2, pass from Burk); Burk 1 (pass from Burk); Burk (1, sneak); Bawel (40, intercepted pass); Conversions: Bielski 3. Field goals: Bielski (23, 40).

St. Patrick's Beats St. Mary's 7th Grade Football Team, 7-6

St. Patrick's seventh grade football team defeated St. Mary's seventh graders in their annual game yesterday at Maryland by the score of 7-6.

Bob Buzzard's conversion after Frank Angellatta had sprinted 20 yards for a touchdown in the second period was the margin of victory.

Michael Long ran 30 yards for St. Mary's td in the third period but the try for point was stopped.

St. Patrick's outstanding players were Joe Chorpennig and John Smith on the line and Frank Angellatta, Francis Connelley and "Rick" Shaffer in the backfield. Mike Long and Jim Lueck, backs, and Don Harden and Don Hollen, linemen, were St. Mary's best backs.

The winners chalked up four first downs, gained 95 yards rushing, failed to try a pass and lost 12 yards on penalties. St. Mary's reeled off five first downs, gained 95 yards, completed one of three passes and was penalized 22 yards. Quarter scores:

St. Patrick's 0 7 0 0-7
St. Mary's 0 0 6 0-6

Touchdowns scored by F. Angellatta (St. Patrick's); Long (St. Mary's).

Point after touchdown scored by Bob Buzzard (St. Patrick's).

Buemi Is Injured As West Va. Deaf Loses At Hartford

Charles Buemi, of Huntington, W. Va., high scoring half-back of the West Virginia School for the Deaf, was injured Saturday at Hartford, Conn., as the Romney eleven went down to defeat at the hands of the American School for the Deaf by the score of 14-7.

Buemi's injury was diagnosed as a wrenched back at the Hartford Hospital where he remained Saturday night. Other members of the squad left for New York City where they went on a sight seeing tour yesterday before heading home.

John Popovich scored the West Virginia team's only touchdown in the contest at Hartford.

It was the final game of the season for the Romney eleven whose record is one win and six losses.

Redskins Top Forty Winners
Brito's Spectacular Play Marks 7-0 Win
WASHINGTON, Nov. 13 (AP)—It was thievery in broad daylight today as the Washington Redskins beat the San Francisco 49ers, 7-0. One spectacular play by Washington's Gene Brito set up the winning touchdown as he batted the ball away from Y. A. Tittle and recovered on the San Francisco 33.

The score had been 0-0 up to that point late in the third period, with Washington's defensive sound keeping it so by four times holding the 49ers inside the Redskin 20. Brito, Volney Peters and J. D. Kimmel performed the bulk of the heroics.

The victory, achieved before 26,202 fans, moved the Redskins with in a game of the Cleveland Browns in the National Football League's Eastern Division, Cleveland lost to Philadelphia, 33-17.

It was only the second time in the club's history that San Francisco was shut out and it was a rookie, Bert Zagers from Michigan State, who inflicted the scoring damage for Washington. He streaked 12 yards around his left end with less than two minutes left in the third quarter.

Vic Janowicz's placekick added the final point.

Washington's touchdown followed Brito's brilliant defense maneuver. After Gene pounced on the ball on the San Francisco 33, the Redskins needed only three plays to score. Eddie LeBaron shot an 18-yard pass to Zagers, Jim Monachino smashed 3 and then Zagers went into his end run scoring act.

San Francisco 0 0 0 0-0
Washington 0 0 7 0-7

Washington scoring—Touchdown: Zagers (12, end run). Conversion: Janowicz.

Keyser Retains PVC Title, Tops Pioneers, 12-7

LaSalle Bows, 26-18; Potomac Wins, 37-7

Keyser High School retained the Potomac Valley Conference football title by defeating Romney High School's stubborn Pioneers Saturday at Romney by the score of 12-7.

The victory gave Coach Frederick "Tack" Clark's Golden Tornado a 5-0 P. V. C. record for the second straight season and an overall mark of nine wins and one loss for the 1955 campaign.

Keyser won the game in the third period when "Rick" Kephart cracked over from the 5 after Billy Carlile had intercepted a pass and ran 78 yards for a touchdown and Ronnie Pyles converted to give Coach Wes Abrams' scrappy eleven a 7-6 advantage.

Keyser drew first blood by scoring in the opening period. Jim Turbin set up the score when he recovered a Romney fumble on the Keyser 35. Scott Ward passed to Earl Studenwalt for 18 yards and Bill Clevenger heaved a 12-yarder to Kephart. Keyser chalked up its fourth first down of the drive on the eight, Kephart advanced to the five and Studenwalt sliced off tackle for the score.

The title was the ninth won by Keyser in the 19-year history of the conference. Teams coached by Clark won seven times.

LaSalle Defeated
LaSalle High School's Explorers suffered their sixth straight setback Saturday night when they dropped a 26-18 decision to Altoona Catholic High School in Altoona, Pa.

Bill Buzzard scored the first touchdown of the game in the opening stanza but John Fanelli tied it up before the quarter ended. Altoona took a 12-6 lead in the second period on Carroll's td. Each team scored twice in the final stanza—Fanelli and Carroll of ACHS and Struntz and Dougherty of LaSalle. Stalter kicked both extra points for the winners.

In a Saturday night game at Parsons, Elkins High School's Tigers trounced Parsons High's Panthers, 33 to 6. Lloyd and Phillips shared four of Elkin's five touchdowns and Wise got the other six-pointer. Koontz place-kicked three conversions. Frank Mullenex scored for Parsons in the final period.

Potomac Surprises
Potomac State College provided an upset by beating Fairmont State's Falcons at Keyser Saturday by the score of 37-7. The victory gave the Catamounts a home record of 5-0 for the season. Potomac dropped four straight on the road.

Martell scored twice and Borrelli, Gorman, Sirk and Fisher once each for Coach Lough's team while Dick Rank accounted for Fairmont's td. The extra points were made by Telek of Potomac and Toothman of the Falcons.

Chicago Bears Bag 5th In Row Over Rams, 24-3

Windy City Eleven Ties For 1st Place

CHICAGO, Nov. 13 (AP)—The Chicago Bears, paced by quarterback Ed Brown, battered the Los Angeles Rams 24-3 today to move into a first place tie in the Western Division of the National Football League.

Turning in one of their finest defensive efforts of the year, the Bears chalked up their fifth straight victory. They had lost their first three games.

The Rams were unable to move in any closer than the Bear 21, and were blanked until the final minute when Bud McFadin booted a 41-yard field goal as the crowd of 50,187—largest of the year—booed.

Brown was superb as he directed the Bears to a 24-0 halftime lead, tossing two touchdowns passes.

The bewildered Rams never did put together a drive of any consequence. Tank Younger barreled 54 yards to the Bear 27 early in the first quarter and again went 24 yards late in the game for Los Angeles' only serious ground efforts.

In the air, Norm Van Brocklin and Bill Wade completed 19 passes for 198 yards.

Brown, playing in the first three quarters, completed 11 passes for 229 yards, while John Hoffman, Rick Casares, Bobby Watkins and Chick Emrade led the Bear ground attack.

Los Angeles 0 0 0 3-3
Chicago Bears 10 14 0 0-24

Los Angeles scoring—Field goal: McFadin (41).
Chicago Bears scoring—Touchdowns: Jagade (1, plunge); Schroeder (35, pass from Brown); Hill (84, pass run from Brown). Conversions: Blanda 3. Field goal: Blanda (24).

Fights This Week

TONIGHT—Bobby Courchesne, Holyoke, Mass., vs. Miguel Berrios, Puerto Rico, at St. Nicholas Arena, New York. Telecast by DuMont at 10 p. m., EST.
FRIDAY—Willie Pastrano, New Orleans, vs. Joe Rowan, Philadelphia, at Madison Square Garden, New York. Telecast and broadcast by NBC at 10 p. m., EST.

Webb Paces PVC Scorers

Keyser High Player Racks Up 48 Points

Jimmy Webb, of Keyser High School, paced the scorers of the Potomac Valley Conference for the 1955 football season by chalking up eight touchdowns and 48 points.

This was the fourth straight year that a Keyser backfield player topped the P.V.C. point getters. "Rick" Kephart was tops on 1954 while Ernie Courrier led the circuit in 1953 and 1952.

Kenny Hartman, Ridgeley, copied runner-up honors with 35 talties while Kephart was third with 31.

Player	TD	PAT	FG	Total
Webb, Keyser	8	0	0	48
K. Hartman, Ridgeley	3	14	1	35
Kephart, Keyser	7	7	0	31
Abe, Ridgeley	5	0	0	30
Nield, Ridgeley	5	0	0	30
Ruoni, West Va. Deaf	5	0	0	30
Mongold, Moorefield	3	8	0	26
T. Hartman, Romney	4	1	0	25
F. Colaw, Southern	4	0	0	24
R. Eyer, Franklin	3	1	0	19
Ernest, Ridgeley	3	0	0	18
Webster, Moorefield	3	0	0	18
D. Harper, Circleville	3	0	0	18
J. Colaw, Southern	2	5	0	17
Barkley, Circleville	2	2	0	14
Lough, Franklin	2	2	0	14
Amernoth, Circleville	2	1	0	13
Dahmer, Franklin	2	1	0	13
Scott, Ridgeley	2	1	0	13

Lynn Beightol Stars In Terps' Ninth Triumph

Throws Pair Of TD Passes In 25-12 Win

COLLEGE PARK, Md., Nov. 13 (AP)—Coach Jim Tatum reached five years into Maryland's football depth to come up with Lynn Beightol as quarterback in an emergency Saturday.

Quarterback Frank Tamburello crooped up with a swollen throat on the morning of the crucial game with Clemson to decide the Orange Bowl representative of the Atlantic Coast Conference.

So Beightol who had been waiting along with many Maryland followers since 1950 got his first starting chance. He snapped the team back from a two touchdown deficit, throwing a pair of touchdown passes, to give Maryland its ninth straight victory this season, 25-12.

Beightol came to Maryland from Cumberland, Md., as one of the most heralded football players it has had in recent years. He made the team as a freshman and then bypassed the sport as a sophomore.

In three subsequent seasons he has been only one of the substitute quarterbacks although he is a recognized stellar passer and punter.

He was put to the supreme test Saturday. It was the first time Maryland had been behind in its last 14 games going back to the middle of last season as Clemson jumped to a 12-0 lead. He directed them to one touchdown in the second quarter and passed for the one that put them ahead in the third.

Tamburello came in long enough to run for the third and Beightol passed for the fourth that made the score more presentable from the Maryland view.

Halfback Ed Vereb got two of the touchdowns to run his total for the year to 14.

Coach Frank Howard of Clemson tabbed the Maryland reserve strength exerting itself in the second half as the deciding factor. Something really happened.

In the first half, Clemson gained 205 yards and in the second only 22.

City Teams Clash

Fort Hill High School's undefeated Jayvees will put a 7-game winning streak on the line today when they play the Allegheny High junior varsity eleven today at 2 p. m., at Fort Hill.

Brooklyn Gets Two Players On All-Star Team

Snider, Campanella Named By Writers

By JOE REICHLER
NEW YORK, Nov. 13 (AP)—Brooklyn is the only club with more than one representative on the 1955 Associated Press major league All-star baseball team.

Nine of the 16 big league clubs are represented in the AP's tenth annual All-Star squad, selected by 99 members of the Baseball Writers' Assn. of America. The seven National League players are honored along with three from the American.

Two Dodgers Honored
Duke Snider in the outfield and Roy Campanella behind the plate are the representatives from the world champion Dodgers. Oddly enough, the American League champion New York Yankees have only one member on the stellar team—southpaw pitcher White Ford.

Other clubs with single representatives are Cincinnati, Milwaukee, Philadelphia, New York and Chicago in the National League and Boston and Chicago in the American.

The All-Star team (batting and pitching records in parentheses): First base — Ted Kluszewski, Redlegs (.314). Second base — Nelson Fox, White Sox (.311). Third base — Eddie Mathews, Braves (.289). Shortstop — Ernie Banks, Cubs (.295).

Left field — Ted Williams, Red Sox (.356). Center field — Willie Mays, Giants (.319). Right field — Duke Snider, Dodgers (.309).

Catcher — Roy Campanella, Dodgers (.318). Right-handed pitcher — Robin Roberts, Phillies (23-14 3.30 ERA). Left-handed pitcher — Ed (Whitey) Ford, Yankees (18-7 2.62 ERA).

Three Are Holdovers
Only three all-stars are holdovers from the 1954 team. They are Kluszewski, Mays and Snider. Stan Musial, whose batting average "slumped" to .319 for the second lowest mark of his brilliant career, failed to make the team for only the second time since the poll was inaugurated in 1946. He received votes for two positions, finishing second among the first basemen and sixth among the outfielders.

The power-packed squad, led by Williams' .356 batting average, shows six .300 hitters, five sluggers with more than 40 home runs each and six with more than 100 runs batted in. Surprisingly, it does not list the two 1955 batting champs—Al Kaline of Detroit and Richie Ashburn of Philadelphia. Neither does it have the American League homerun king, Mickey Mantle of the Yankees, but Mays, with his 51 homers and Snider with his 136 RBIs (both major league highs) are included.

Roberts Tops Balloting
The biggest vote getter was Roberts, the Phils' peerless pitcher was named on 92 ballots as the best right-handed hurler in the majors.

Philadelphia Eagles Stop Cleveland Browns, 33-17

Adrian Burk's Play Features Pro Loop Tilt

Stribling Catches Six Passes For 123 Yards And Two TDs

PHILADELPHIA, Nov. 13 (AP)—The Philadelphia Eagles spotted the champion Cleveland Browns 17 points in the first quarter and then rallied behind the effective passing and running of quarterback Adrian Burk, the sensational receiving end Bill Stribling and a defensive unit which pressured the usually efficient Browns into numerous mistakes, to win 33-17.

Burk, sometimes referred to as an "arm chair quarterback," found his running legs today, carrying the ball six times for 34 yards and one touchdown.

The unexpected running of the former Baylor star opened up the usually tight-knit Cleveland defense and enabled him to complete 12 passes for 198 yards and two touchdowns.

Burk's favorite target on this warm, sunny afternoon before a standing room crowd of 39,303 fans, was 6-foot-1 Stribling, an end released last year as washed up by the New York Giants and signed by the Eagles as a free agent.

Stribling caught six passes for 123 yards and two touchdowns. Almost all of his receptions were sensational.

This second defeat against six victories for the Browns was a mite fantastic to anyone who saw Otto Graham and his mates clobber the Eagles for a 17-0 lead in the first quarter. Before the game was 12 minutes old, Lou Groh had kicked a 17-yard field goal. Graham had lobbed a picture pass to Ray Renfro for a 61-yard touchdown, and Graham had scored on a one-yard quarterback sneak.

You would have sold the Eagles down the river for a well-used football. But Burk, undisturbed by his efforts in previous games this year, rallied his team and for the last three quarters would have thought it was the Eagles who led the Eastern Conference of the NFL and not the haughty Browns.

Cleveland 17 0 0 0-17
Philadelphia 0 10 6 17-33

Cleveland scoring—Touchdowns: Renfro (69, pass from Graham); Graham (1, sneak); Conversions: Groza 2. Field goal: Groza (17).

Philadelphia scoring—Touchdowns: Stribling 2 (2, pass from Burk); Burk (1, sneak); Bawel (40, intercepted pass); Conversions: Bielski 3. Field goals: Bielski (23, 40).

St. Patrick's Beats St. Mary's 7th Grade Football Team, 7-6

St. Patrick's seventh grade football team defeated St. Mary's seventh graders in their annual game yesterday at Maryland by the score of 7-6.

Bob Buzzard's conversion after Frank Angellata had sprinted 30 yards for a touchdown in the second period was the margin of victory.

Michael Long ran 30 yards for St. Mary's in the third period but the try for point was stopped.

St. Patrick's outstanding players were Joe Chappening and John Smith on the line and Frank Angellata, Francis Connelley and "Rick" Shaffer in the backfield. Mike Long and Jim Lueck, backs, and Don Harden and Don Hollen, linemen, were St. Mary's best bets.

The winners chalked up four first downs, gained 95 yards rushing, failed to try a pass and lost 12 yards on penalties. St. Mary's reeled off five first downs, gained 95 yards, completed one of three passes and was penalized 22 yards. Quarter scores:

St. Patrick's 0 7 0 0-7
St. Mary's 0 0 6 0-6

Touchdowns scored by F. Angellata (St. Patrick's); Long (St. Mary's).

Point after touchdown scored by Bob Buzzard (St. Patrick's).

Buemi Is Injured As West Va. Deaf Loses At Hartford

Charles Buemi, of Huntington, W. Va., high scoring half-back of the West Virginia School for the Deaf, was injured Saturday at Hartford, Conn., as the Romney eleven went down to defeat at the hands of the American School for the Deaf by the score of 14-7.

Buemi's injury was diagnosed as a wrenched back at the Hartford Hospital where he remained Saturday night. Other members of the squad left for New York City where they went on a sight seeing tour yesterday before heading home.

John Popovich scored the West Virginia team's only touchdown in the contest at Hartford.

It was the final game of the season for the Romney eleven whose record is one win and six losses.

Chicago Bears Bag 5th In Row Over Rams, 24-3

CHICAGO, Nov. 13 (AP)—The Chicago Bears, paced by quarterback Ed Brown, battered the Los Angeles Rams 24-3 today to move into a first place tie in the Western Division of the National Football League.

Turning in one of their finest defensive efforts of the year, the Bears chalked up their fifth straight victory. They had lost their first three games.

The Rams were unable to move in any closer than the Bear 21, and were blanketed until the final minute when Bud McFadin booted a 41-yard field goal as the crowd of 50,187—largest of the year—booed.

Brown was superb as he directed the Bears to a 24-0 halftime lead, tossing two touchdown passes.

The bewildered Rams never did put together a drive of any consequence. Tank Younger barreled 54 yards to the Bear 27 early in the first quarter and again went 24 yards late in the game for Los Angeles' only serious ground efforts.

In the air, Norm Van Brocklin and Bill Wade completed 19 passes for 198 yards.

Brown, playing in the first three quarters, completed 11 passes for 229 yards, while John Hoffman, Rick Casares, Bobby Watkins and Chick Emrade led the Bear ground attack.

Los Angeles 0 0 0 3-3
Chicago Bears 10 14 0 0-24

Keyser Retains PVC Title, Tops Pioneers, 12-7

LaSalle Bows, 26-18; Potomac Wins, 37-7

Keyser High School retained the Potomac Valley Conference football title by defeating Romney High School's stubborn Pioneers Saturday at Romney by the score of 12-7.

The victory gave Coach Frederick "Tack" Clark's Golden Tornado a 5-0 P. V. C. record for the second straight season and an overall mark of nine wins and one loss for the 1955 campaign.

Keyser won the game in the third period when "Rick" Kephart cracked over from the 5 after Billy Carlie had intercepted a pass and ran 78 yards for a touchdown and Ronnie Pyles converted to give Coach Wes Abrams' scrappy eleven a 7-6 advantage.

Keyser drew first blood by scoring in the opening period. Jim Turbin set up the score when he recovered a Romney fumble on the Keyser 35. Scott Ward passed to Earl Studenwalt for 18 yards and Bill Clevenger heaved a 12-yarder to Kephart. Keyser chalked up its fourth first down of the drive on the eight. Kephart advanced to the five and Studenwalt sliced off tackle for the score.

The title was the ninth won by Keyser in the 19-year history of the conference. Teams coached by Clark won seven times.

LaSalle High School's Explorers suffered their sixth straight setback Saturday night when they dropped a 26-18 decision to Altoona Catholic High School in Altoona, Pa.

Bill Buzzard scored the first touchdown of the game in the opening stanza but John Fanelli tied it up before the quarter ended. Altoona took a 12-6 lead in the second period on Carroll's td.

Each team scored twice in the final stanza—Fanelli and Carroll of ACHS and Struntz and Dougherty of LaSalle. Stalter kicked both extra points for the winners.

In a Saturday night game at Parsons, Elkins High School's Tigers thrashed Parsons High's Panthers, 33 to 6. Lloyd and Phillips shared four of Elkins' five touchdowns and Wise got the extra point.

Koontz place-kicked three conversions. Frank Mullenex scored for Parsons in the final period.

Potomac State College provided an upset by beating Fairmont State's Falcons at Keyser Saturday by the score of 37-7. The victory gave the Catamounts a home record of 5-0 for the season. Potomac dropped four straight on the road.

Martell scored twice and Borrelli, Gorman, Sirk and Fisher once each for Coach Lough's team while Dick Rank accounted for Fairmont's td. The extra points were made by Telek of Potomac and Toothman of the Falcons.

Chicago Bears Bag 5th In Row Over Rams, 24-3

CHICAGO, Nov. 13 (AP)—The Chicago Bears, paced by quarterback Ed Brown, battered the Los Angeles Rams 24-3 today to move into a first place tie in the Western Division of the National Football League.

Turning in one of their finest defensive efforts of the year, the Bears chalked up their fifth straight victory. They had lost their first three games.

The Rams were unable to move in any closer than the Bear 21, and were blanketed until the final minute when Bud McFadin booted a 41-yard field goal as the crowd of 50,187—largest of the year—booed.

Brown was superb as he directed the Bears to a 24-0 halftime lead, tossing two touchdown passes.

The bewildered Rams never did put together a drive of any consequence. Tank Younger barreled 54 yards to the Bear 27 early in the first quarter and again went 24 yards late in the game for Los Angeles' only serious ground efforts.

Webb Paces PVC Scorers

Keyser High Player Racks Up 48 Points

Jimmy Webb, of Keyser High School, paced the scorers of the Potomac Valley Conference for the 1955 football season by chalking up eight touchdowns and 48 points.

This was the fourth straight year that a Keyser backfield player topped the P.V.C. point getters. "Rick" Kephart was tops on 1954 while Ernie Courrier led the circuit in 1953 and 1952.

Kenny Hartman, Ridgeley, capped runner-up honors with 35 tallies while Kephart was third with 31.

Individual scoring records:

Player	TD	PAT	FG	Total
Webb, Keyser	8	0	0	48
K. Hartman, Ridgeley	4	14	13	31
Kephart, Keyser	4	7	0	31
Abe, Ridgeley	5	0	0	30
Nield, Ridgeley	5	0	0	30

J. Vetter, Moorefield	2	0	0	12
Sowers, Southern	2	0	0	12
Studenwalt, Keyser	2	0	0	12

Players scoring one touchdown and six points were:

KEYSER—Clevenger.
MOOREFIELD—J. Barr, Martin, Sherman. Team was credited with scoring safety.
PETERSBURG—Yankey, J. Frye, Huffman, Van Meter.
ROMNEY—Hannas, Heavener, E. Hartman, Carlie, Duse.
CIRCLEVILLE—Huffman.
FRANKLIN—Rudy, R. Probst, J. Eyer.
RIDGELEY—Teter, Baker.
SOUTHERN—Mason, Glaze, Deckman.
WEST VA. DEAF—Popovich. One point was scored by McCoy.

Lynn Beightol Stars In Terps' Ninth Triumph

Throws Pair Of TD Passes In 25-12 Win

COLLEGE PARK, Md., Nov. 13 (AP)—Coach Jim Tatum reached five years into Maryland's football depth to come up with Lynn Beightol as quarterback in an emergency Saturday.

Quarterback Frank Tamburello dropped up with a swollen throat on the morning of the crucial game with Clemson to decide the Orange Bowl representative of the Atlantic Coast Conference.

So Beightol who had been waiting along with many Maryland followers since 1950 got his first starting chance. He snapped the team back from a two touchdown deficit, throwing a pair of touchdown passes, to give Maryland its ninth straight victory this season, 25-12.

Beightol came to Maryland from Cumberland, Md., as one of the most heralded football players it has had in recent years. He made the team as a freshman and then bypassed the sport as a sophomore. In three subsequent seasons he has been only one of the substitute quarterbacks although he is a recognized stellar passer and punter.

He was put to the supreme test Saturday. It was the first time Maryland had been behind in its last 14 games going back to the middle of last season as Clemson jumped to a 12-0 lead. He directed them to one touchdown in the second quarter and passed for the one that put them ahead in the third.

Tamburello came in long enough to run for the third and Beightol passed for the fourth that made the score more presentable from the Maryland view.

Halfback Ed Vereb got two of the touchdowns to run his total for the year to 14.

Coach Frank Howard of Clemson tabbed the Maryland reserve strength exerting itself in the second half as the deciding factor. Something really happened.

In the first half, Clemson gained 205 yards and in the second only 22.

City Teams Clash

Fort Hill High School's undefeated Jayvees will put a 7-game winning streak on the line today when they play the Allegheny High junior varsity eleven today at 2 p. m., at Fort Hill.

Brooklyn Gets Two Players On All-Star Team

Snider, Campanella Named By Writers

By JOE REICHLER
NEW YORK, Nov. 13 (AP)—Brooklyn is the only club with more than one representative on the 1955 Associated Press major league All-star baseball team.

Nine of the 16 big league clubs are represented in the AP's tenth annual All-Star squad, selected by 99 members of the Baseball Writers' Assn. of America. The seven National League players are honored along with three from the American.

Two Dodgers Honored
Duke Snider in the outfield and Roy Campanella behind the plate are the representatives from the world champion Dodgers. Oddly enough, the American League champion New York Yankees have only one member on the stellar team—southpaw pitcher Whitey Ford.

Other clubs with single representatives are Cincinnati, Milwaukee, Philadelphia, New York and Chicago in the National League and Boston and Chicago in the American.

The All-Star team (batting and pitching records in parentheses):
First base—Ted Kluszewski, Redlegs (.314)
Second base—Nelson Fox, White Sox (.311)
Third base—Eddie Mathews, Braves (.289)
Shortstop—Ernie Banks, Cubs (.295)
Left field—Ted Williams, Red Sox (.356)
Center field—Willie Mays, Giants (.319)
Right field—Duke Snider, Dodgers (.309)
Catcher—Roy Campanella, Dodgers (.318)
Righthanded pitcher—Robin Roberts, Phillies (.23-14 3.30 ERA)
Lefthanded pitcher—Ed (Whitey) Ford, Yankees (.18-7 2.62 ERA)

Three Are Holdovers
Only three all-stars are holdovers from the 1954 team. They are Kluszewski, Mays and Snider. Stan Musial, whose batting average "slumped" to .319 for the second lowest mark of his brilliant career, failed to make the team for only the second time since the poll was inaugurated in 1946. He received votes for two positions, finishing second among the first basemen and sixth among the outfielders.

The power-packed squad, led by Williams' .356 batting average, shows six .300 hitters, five sluggers with more than 40 home runs each and six with more than 100 runs batted in. Surprisingly, it does not list the two 1955 batting champs—Al Kaline of Detroit and Richie Ashburn of Philadelphia. Neither does it have the American League homerun king, Mickey Mantle of the Yankees, but Mays, with his 51 homers and Snider with his 136 RBIs (both major league highs) are included.

Roberts Tops Balloting
The biggest vote getter was Roberts, the Phils' peerless pitcher was named on 92 ballots as the best righthanded hurler in the majors.

Giants Beat Colts, 17-7

Losers Muff Chance For Three-Way Tie

NEW YORK, Nov. 13 — The New York Giants thwarted Baltimore's bid to climb into a three-way tie for the Western Conference lead in the National Football League today, thrashing the Colts 17-7 before an enthusiastic crowd of 33,982 spectators, largest at the Polo Grounds this season.

Aided by a stubborn defensive line which stopped the Colts three times inside the Giants' 15-yard line, the Giants broke out of a scoreless first quarter to tally in each of the next three periods to register their third triumph against five defeats. The loss evened Baltimore's record at 4-4.

A Colt victory would have thrown them into a three way tie with the Chicago Bears and Los Angeles Rams for the top spot. As it is, the Colts now are in a tie for third place, a game off the pace.

Chuck Conerly paced the Giants to victory. The veteran quarterback threw one touchdown pass, a 28-yard heave to Ken McAfee in the end zone; and set up the other with a 22 yarder to Frank Gifford and a 19-yard completion to Kyle Rote. Conerly also paved the way for a 32 yard field goal by Ben

Agajanian in the second quarter with a pair of long completions. The Colts did not score until the final moments of the game when George Shaw threw a 19-yard pass to Jim Mutscheller in the end zone.

Baltimore 0 0 0 7—7
New York 0 3 7 7—17

Baltimore scoring: Touchdowns—Mutscheller (19, pass from Shaw). Conversion—Rechichar.

New York scoring: Touchdowns—Webster (2, plunge), McAfee (28, pass from Conerly).

Field goal — Agajanian (32). Conversions — Agajanian (2).

Charles Town Meet Opens November 23

CHARLES TOWN, W. Va.—One thousand thoroughbreds will be available for the 21-day meeting of the Charles Town Jockey Club starting here Wednesday, November 23.

Each fall meeting, which annually closes out the Eastern racing season, is proving more and more popular with horsemen. The stalls have all been allotted and unfortunately the rejects almost doubled the confirmations.

Packers Trim Cards, 31-14

Near Record Pass Play Is Highlight

GREEN BAY, Wis., Nov. 13 — Quarterback Tobin Rote pitched three touchdown strikes and bucked for another score today as the Green Bay Packers broke a three-game losing streak by throttling the Chicago Cardinals 31-14.

A crowd of 20,104 watched the Packers dominate the National Football League game until the fourth quarter when the Cards struck for two TD's. One was a spectacular near record 98-yard pass play from Ogden Compton to Dick Lane.

Rote, still groggy after a bout with a head cold and intestinal flu, connected on touchdown passes of 25 yards to Gary Knafele, and 15 yards to Bill Howton and Al Carmichael and then barreled over from one-yard out.

Fred Cone, the Packers' reliable toeman, converted after the four TDs and booted a 42-yard field goal.

The Cards, thoroughly outclassed and flurting with a shutout, caught fire in the final period with Compton at quarterback. Mal Hammack capped an 84-yard drive directed by Compton by plunging over from the one. Then Compton and Lane collaborated on their beautiful 98-yard payoff pass—just one yard short of the NFL record set by Andy Farkas and Frank Filchock of Washington against Pittsburgh on Oct. 15, 1939.

Chicago Cardinals 0 0 0 14—14
Green Bay 7 17 7 0—31

Chicago scoring — Touchdowns: Hammack (1, plunge); Lane (98, pass-run from Compton). Conversions: Summerall (2).

Green Bay scoring—Touchdowns: Knafele (25, pass from Rote);

Giants Beat Colts, 17-7

Losers Muff Chance For Three-Way Tie

NEW YORK, Nov. 13 — The New York Giants thwarted Baltimore's bid to climb into a three-way tie for the Western Conference lead in the National Football League today, thrashing the Colts 17-7 before an enthusiastic crowd of 33,982 spectators, largest at the Polo Grounds this season.

Aided by a stubborn defensive line which stopped the Colts three times inside the Giants' 15-yard line, the Giants broke out of a scoreless first quarter to tally in each of the next three periods to register their third triumph against five defeats. The loss evened Baltimore's record at 4-4.

A Colt victory would have thrown them into a three-way tie with the Chicago Bears and Los Angeles Rams for the top spot. As it is, the Colts now are in a tie for third place, a game off the pace.

Chuck Conerly paced the Giants to victory. The veteran quarterback threw one touchdown pass, a 28-yard heave to Ken McAfee in the end zone; and set up the other with a 22-yarder to Frank Gifford and a 19-yard completion to Kyle Rote. Conerly also paved the way for a 32-yard field goal by Ben

Charles Town Meet Opens November 23

CHARLES TOWN, W. Va. — One thousand thoroughbreds will be available for the 21-day meeting of the Charles Town Jockey Club starting here Wednesday, November 23.

Each fall meeting, which annually closes out the Eastern racing season, is proving more and more popular with horsemen. The stalls have all been allotted and unfortunately the rejects almost doubled the confirmations.

Yearning? ...for refrigerator color panels you can change as quickly as you change your mind?

Packers Trim Cards, 31-14

Near Record Pass Play Is Highlight

GREEN BAY, Wis., Nov. 13 — Quarterback Tobin Rote pitched three touchdown strikes and bucked for another score today as the Green Bay Packers broke a three-game losing streak by throttling the Chicago Cardinals 31-14.

A crowd of 20,104 watched the Packers dominate the National Football League game until the fourth quarter when the Cards struck for two TD's. One was a spectacular near record 88-yard pass play from Ogden Compton to Dick Lane.

Rote, still groggy after a bout with a head cold and intestinal flu, connected on touchdown passes of 25 yards to Gary Knefel, and 15 yards to Bill Howton and Al Carmichael and then barreled over from one-yard out.

Chicago Cardinals... 0 0 0 14-14
Green Bay... 7 17 7 0-31
Chicago scoring — Touchdowns: Hammack (1, plunge); Lane (98-pass-run from Compton); Conversions: Summerall (2).

West Virginia Woman Killed In Auto Crash

A 28-year-old Thomas, W. Va. mother was killed instantly early Saturday morning when she lost control of her auto and struck a bridge one mile south of Red House, in Garrett County, on U. S. Route 219.

Victim of the highway fatality was Mrs. Ruth Arletta Firl, 28, of Thomas.

line of the Maryland State Police said Mrs. Firl was riding alone at the time of the mishap. She was traveling at a high rate of speed when the car ran off the left side of the highway, struck a bridge and dropped over an embankment into a creek, Henline said. The accident occurred shortly before 1 a. m. Saturday.

Attaches at Garrett County Memorial Hospital, Oakland, said Mrs. Firl sustained a broken neck, crushed chest, broken leg and lacerations of the forehead.

Henline said Mrs. Firl was dead when found by a bypasser at approximately 1 a. m.

A native of Red Creek, Tucker County, W. Va., she was a daughter of the late Edward and Martha Susan (Carr) Propst. She was a member of the Thomas Presbyterian Church.

She is survived by her husband, Gilbert Firl, stationed with the Air Force at Salina, Kansas; a daughter, Leona Firl, at home; a brother, Edward Propst, Hendricks, W. Va.; a half-brother, Walter Minch, stationed with the Army in Kansas; two sisters, Mrs. Virginia Johnson, Thomas, and Mrs. Bessie Firl, Oakland, and a half-sister, Mrs. Dorothy Varner, Baltimore.

The body is at the Spiggle Funeral Home in Davis.

Named In "Who's Who"

Richard V. M. Beard, Cumberland, is among 31 Virginia Tech (Blacksburg, Va.) students nominated for inclusion in "Who's Who Among Students in American Universities and Colleges."

Bowling Green Man Kills Deer With Bow And Arrow

A Bowling Green woodsman became the second and last hunter to bag a deer this season by means of the bow and arrow.

Allan H. Porter killed a 90-pound buck Saturday afternoon on Green Ridge Mountain. He reported his kill at the Shipway station.

During the bow and arrow season, which ended yesterday, only one other deer was killed. Robert Twigg, 31, Spring Gap, bagged a buck last Saturday while hunting at Chimney Hollow, located between Green Ridge and Town Hill Mountain.

A bow and arrow enthusiast, Porter used a 50 pound test bow to make his kill. It was his first by bow and arrow.

The regular hunting season for rabbit, quail, pheasant and grouse begins at sunrise tomorrow.

Joins Sorority

Father Russell Celebrates 25th Anniversary

Rev. W. Joyce Russell, former assistant pastor of St. Mary's Catholic Church here, celebrated the 25th anniversary of his ordination as a priest yesterday.

Father Russell has been pastor of St. Catherine Lebourne Church, Silver Spring, since May 1951.

Born in Baltimore 50 years ago, Father Russell attended Calvert Hall, St. Charles College, Catonsville, and St. Mary's Seminary, Baltimore. He was ordained in Rome after studying at North American College there.

After six years as a curate at St. Thomas the Apostle Church, Washington, and ten years at St. Mary's Church here, he was appointed pastor of St. Francis de Sales Catholic Church, Benedict, Md.

With 5,000 parishioners, St. Catherine Lebourne Church is one of the largest parishes in the Archdiocese of Washington. New buildings costing \$700,000 have been erected under the direction of Father Russell.

Youth Group Plans Benefit Festival

The Cumberland Sub-District of the Methodist Youth Fellowship will hold a booth festival Thursday at Centre Street Methodist Church, beginning at 7:30 p. m.

Judy Bennett, president of the unit, said members will canvass their neighborhoods for dry food, canned food, sugar, salt, molasses, fruit juices, etc. The articles, she explained will be displayed in booths at the church around themes taken from the hymn, "Where Cross the Crowded Ways of Life."

Booths will be judged and ribbons presented for the winners in categories of originality, greatest money value and best theme presentation.

Following the judging, the food collected will be sent to the Strawberry Home for Boys, and a home for girls, both homes for orphans sponsored by the Methodist Church.

The United States had the poorest percentage of voting in the world in recent years. In 1950 a total of 98 per cent of eligible voters cast ballots in Australia.

Mayor To Attend MML Meeting

Cumberland will be represented at the annual meeting of the Maryland Municipal League Thursday through Saturday in the Francis Scott Key Hotel, Frederick.

Mayor Roy W. Eves said he is planning to attend along with several commissioners. He added that he hopes Thomas B. Finan, city attorney and Charles R. Nuzum, city engineer, will be able to participate in all or a part of the conference.

The mayor will be panel chairman for the mayors' session scheduled Friday at 11 a. m.

HOSPITAL TESTED

Wonder Working Formula Gives Amazing Relief From Pains of RHEUMATISM, ARTHRITIS

If it isn't necessary to be plagued by annoying pains of rheumatism, arthritis, neuritis, thanks to a hospital-tested, scientific analgesic formula called PRUVO—thousands have discovered they can enjoy glorious pain-free hours. And you can too!

For new, improved PRUVO provides 7 important advantages: (1) New PRUVO brings welcome relief from comfort-robbing pain. (2) Sets up a pain barrier against secondary distress. (3) Works faster because it's absorbed in the bloodstream quickly. (4) Acts without upsetting the stomach. (5) Gives more comfort in work and sleep. (6) Costs only pennies a day. (7) Contains Vitamin C—so essential to maintenance of elasticity in connecting tissues in joints and body generally. In case of severe pains see your doctor.

Don't continue to suffer needlessly from distressing pains of rheumatism, arthritis, neuritis. Prove in your own case how truly effective new, improved PRUVO can be. PRUVO is guaranteed. Use half the tablets in the \$1.50 bottle. If not satisfied with the results, return balance to maker for money back. Go to your druggist today. Insist on PRUVO. Only in PRUVO do you get its seven way relief—there is no substitute. The large Hospital size at \$7.50. Medium sized bottle at \$4.00, or get the generous big 75 tablet size at \$1.50.

Keeping figure proportions is a Powers Girl specialty. But she always finds out first what her perfect figure should be.

Secrets Of Charm

by John Robert Powers

Take A Tip From A Tape Measure

At the start of her career, a vidual matter. Now the measure-Powers Girl learns how to calculate the measurements that are perfect for her figure. And she's ready to do as much for you in often surprised at how much the my booklet "Do You Measure right calculations teach her. Even Up?" (Yours for 10 cents and a good figure can't become a stamped, self-addressed envelope perfect figure until its possessor knows exactly what the proportions she must work toward should be.

If you aspire to a beautiful figure, serious calculation on your part is the first step, too. Why plunge into an exercise routine that doesn't aim toward dead center of the target? And it's possible to develop out-of-proportion measurements just as it is the right ones.

Calculations would be simple if there were one set of ideal measurements for all women, but perfect proportions are a highly individual matter.

You'll need help in making allowances for your frame structure and bone structure—they're not the same—and in learning to measure correctly. The booklet provides all the information you must have. Protected 1955, John F. Dille Co. Tomorrow—Every woman has charm.

Today's Sermonette

(Continued from Page 12)
What is the cause and the origin of our despondency? Short-sightedness. We have only looked at the things which are near. And the remedy for that hopelessness and despair is the long look. As Isaiah was preaching the Omnipotence of God he said, "Lift up your eyes on high, and behold who hath created these things, that bringeth out their host by number; he calleth them all by names by the greatness of his might, for that he is strong in power; not one faileth." We despair when we see only the things that are near—the sin, the vice, the indifference and callousness of men; but we gain courage and hope when we see God.

DAILY CRYPTOQUOTE—Here's how to work it:

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

The bidding:
South West North East
1♥ Pass 2♥ Pass
3♦ Pass 4♥ Pass
Pass Pass
South bid three diamonds on the second round in an effort to stave off that lead when he reached at least three hearts, or preferably a heart game, depending on North's reaction. The diamond bid spurred North, all right, and induced him to give a jump preference for hearts, but it could scarcely stop West from laying down three rounds of diamonds. (Not that the opening lead mattered in this case.)
East, with the third diamond, shifted to a club, and South was in control, but his first move was to lead a low trump to the double-honor combination in dummy—and when East showed out the contract was facing certain defeat.
South's play in this hand would unquestionably be duplicated by most declarers, simply because most declarers have the habit of leading first to (or from) the hand containing two honors in the suit. Moreover, this is usually the correct procedure. But when the jack and ten and two lower cards are missing, the single honor (the heart ace in this case) must be cashed first, so that successive leads can be made toward the K-Q-9 remaining in the other hand.
Observe that if it is East who holds all four trumps, no maneuver by South can shut him out; but the same holding by West can be handled, and so the ace must be led to discover the possible need for this handling.

DEATHS and FUNERALS

JAMES CRITES

James Crites, 82, of Mexico Farms, died Friday night in Memorial Hospital where he had been a patient since October 26. He had been in failing health three years.

Born at Moorefield, he was a son of the late Jacob and Sarah (Mongold) Crites. His wife, Mrs. Ida (Lee) Crites, preceded him in death. Mr. Crites was a retired farmer and held membership in Davis Memorial Methodist Church.

Surviving are two brothers, Jesse Crites, this city, and Boyd Crites, Cockeysville, and a half-sister, Mrs. Cora Myers, Moorefield.

The body will remain at the George Funeral Home.

Services will be conducted today at 2 p. m. at the George Funeral Home by Rev. Karl L. Crowe, pastor of Davis Memorial Methodist Church. Interment will be in Davis Memorial Cemetery.

CECIL D. COWGILL

Cecil Delbert Cowgill, 47, Wiley Ford, died Saturday at his home.

A native of Paw Paw, he was a son of the late John W. and Samantha (Sunderlin) Cowgill. He was a member of the Cresaptown Full Gospel Assembly of God Church, of which his widow is pastor.

He was employed by the Baltimore and Ohio Railroad as a carman's helper, and was a member of the Brotherhood of Railroad Carmen of America.

He is survived by his widow, Mrs. Ruth (Reckley) Cowgill; a son, Delbert Cowgill, Hamburg, Pa.; three sisters, Mrs. J. Vernon MacDonald, Bowling Green; Mrs. James A. Cover, Martinsburg, and Mrs. David C. Cline, Petersburg, W. Va.

Services will be conducted tomorrow at 2 p. m. at the South Cumberland Assembly of God Church by Rev. Arthur Vespa. Interment will be in the Island Hill Cemetery at Forks of Capon, W. Va.

The body is at the residence.

Active pallbearers, deacons of the South Cumberland Assembly of God Church, will be Norman D. White, Albert L. Ogden, Jesse J. Barkley, Howard J. Reckley, Herman S. Athey and John D. Clark.

Honorary pallbearers, deacons of the Cresaptown Full Gospel Assembly of God Church, will be Leo A. Wright, Gerald Phillips, Richard Grant, Harvey Saylor, Michael Stottlemeyer, Richard Morris and Jesse Arnold.

MRS. GEORGE GLASS
PARSONS—Mrs. Lillie M. Glass, 59, wife of George Glass, died Saturday at her home near Hendricks. She had been in ill health for some time.

A native of Teets, Va., she was a daughter of the late William and Mary Catherine Johnson. She was a member of the Pentecostal Church near Hendricks.

Area Crashes Over Weekend Take High Toll

Several Injured;
Two Critically

A number of persons were injured, two critically, in a series of highway accidents which occurred over the weekend. Two of the mishaps involved nine-year-old children hit by autos in separate accidents.

Reported in critical condition at Miners Hospital was Mary Cuthbertson, nine-year-old daughter of Mr. and Mrs. Melvin Cuthbertson, of Gilmore, injured when struck by a car driven by Robert Scott Alexander, 33, of Midland.

Tfc. Harry Bosley, of the Maryland State Police, said the youngster was crossing the highway when she was hit by the Alexander car, which was traveling north and attempting to make a right hand turn along Route 36 in Gilmore Saturday.

Boy Is Injured

A nine-year-old Eckhart Mines boy was struck by an automobile yesterday morning on old Route 40 and admitted to Miners Hospital, where his condition last night was reported as good.

Nicholas Edwards, son of Mr. and Mrs. Robert Edwards, will be X-rayed to learn the full extent of his injuries. Attaches said he sustained lacerations about his head, face and body and suffered possible internal injuries.

Trooper J. V. Stakem, of the Maryland State Police, who investigated, said the boy was struck by a car driven by Rosetta Adams, of Eckhart, as she was driving east on old Route 40.

The boy, police said, darted across the highway into the path of the auto and was struck by the right fender. Police said the probable cause was a pedestrian violation.

A mother and her daughter were admitted to Sacred Heart Hospital yesterday at 11:10 a. m. suffering from injuries sustained in a one-car auto mishap on the west slope of Polish Mountain.

Mrs. Nancy Lee Brunner, 31, of LaVale, wife of Tyson Brunner was driving the car, and was accompanied by her 12-year-old daughter, Ann Lee Brunner. She told hospital attaches the road was slippery and she lost control of the vehicle, causing the mishap.

Mrs. Brunner is being treated for injuries to the left side of her face, mouth and lip. One tooth was knocked out and several others were loosened. Her right jaw was also injured.

Her daughter is being treated for brush burns about the face and a laceration of the right eye. About 3:30 a. m. yesterday, a 22-year-old truck driver, Oscar Weicht, of RD 3, Everett, failed to negotiate a curve about four miles north of Bedford in Bedford Township, left the highway and tore down a pole.

He was reported in "critical" condition last night in Bedford County Memorial Hospital suffering from head injuries. Weicht was driving a pickup truck at the time of the accident.

Two Are Admitted

Two residents of near Paw Paw were admitted to Sacred Heart Hospital last night with injuries sustained in an auto accident on Martins Mountain along Route 40 east of here.

Admitted to the hospital were Walter Leo Condry who suffered torn ligaments and will require surgery. He was suffering from shock.

Eleanor Condry, 26, reportedly sustained a broken left hand and was in severe shock. Condry, according to police, attempted to pass a tractor-trailer and after getting around the vehicle met oncoming traffic.

As the driver went back into his lane of traffic, he apparently lost control of the car which hit an embankment, rolled over on its top and skidded along the highway for about 50 feet.

Trooper Lynwood Clark investigated the mishap which occurred about 7:50 p. m. The condition of the two victims was not learned late last night.

Plunges Off Road

Clarence Bloomfield, 23, of Baltimore, sustained head and chest injuries when his car went out of control on U. S. Route 40 and crashed on Town Hill Saturday.

He was admitted to Sacred Heart Hospital where his condition last night was reported as good. State Police said he was apparently traveling at a high rate of speed, failed to make a curve in the road and plunged over a 100 foot embankment.

An Oakland woman, Miss Betty Kitzmiller, sustained a broken right hip and broken pelvis when the car in which she was riding crashed near Oakland.

Tfc. Robert Henline, of the Maryland State Police, who investigated the mishap on Saturday, said the accident occurred when a car driven by Thomas M. Estes, of Alexandria, Va., was traveling at a high rate of speed, went out of control on a curve, and ran off the left side of the highway.

Miss Kitzmiller was thrown from the vehicle. She was taken to Garrett County Memorial Hospital, Oakland.

At least three persons were injured last night in an auto accident along the Pinto Road between Short Gap and Cresaptown.

They were reportedly admitted to local hospitals although full information on them was not learned last night. West Virginia State Police, who investigated, said the mishap occurred on a sharp curve near the Allegany Ballistics Laboratory, and the vehicle reportedly left the highway and plunged down over an embankment.

Pipe Arrives For New Water Line

Big sections of pipe for the water line which will supply the new Pittsburgh Plate Glass Company plant at North Branch are being unloaded and stored in the B & O Rolling Mill yard. The pipe sections are being eased to the storage platforms by workers of the S. T. Brotemarkle Construction Company as C. R. Nuzum, city engineer, (standing beside the crane) inspects the project. Some

27,000 feet of 18 inch steel pipe will be used to lay the line which is estimated to cost about \$400,000. Cumberland Contracting Company crews are clearing the right of way near the plant and installation is slated as soon as an adequate supply of pipe and fittings are on hand. Pipe deliveries are scheduled over the next few weeks.

Start Is Made On Improvement Of Playgrounds

A start was made this summer on recommendations of the City Recreation Board for improvements of city-owned playgrounds.

Robert E. Pence, recreation director, said six-foot chain link fences have been built around Thomas S. Post Playground and Lamont Street playground this summer.

A water line was laid at Post Playground, he added, so the ball field can be watered.

The improvements, he said, were financed by funds from the \$150,000 recreation bond issue of 1947. The Rec. Board, he added, has recommended a number of other improvements to the grounds. These include:

Grading, blacktopping and fencing of tennis courts at North End Playground.

Grading and blacktopping of Lamont Street Playground.

Fencing of Mapleside Playground.

The three-day bazar of St. Patrick's Church and the annual four-day fair at St. Mary's Church open tomorrow.

The bazar will be held in the church social hall with a number of booths being maintained and refreshments sold during the "Three Enchanting Evenings."

Turkey suppers will be served at St. Mary's social hall tomorrow, Wednesday and Thursday. Parking space is available.

Annual Hobby Show Opens Tomorrow At Cumberland Free Public Library

The third annual hobby show sponsored by the Business and Professional Women's Club will be held Tuesday, Wednesday and Thursday of this week at the Cumberland Free Public Library.

Special entertainment is being arranged for presentation each evening at 8 o'clock.

Puppets displayed in the exhibit will be used for a puppet show by the pupils of the first and second grades of Carver School, with Mrs. Lelia McIntyre, teacher.

On Wednesday, a ceramics demonstration is to be given and Thursday, Mrs. G. William Bibby will demonstrate the making of masks.

The hobby show the past two years has attracted several dozen exhibitors and considerable interest. This year, 40 displays have registered and more are expected today.

Mrs. Karl Perry, chairman, has requested that all exhibits be taken to the library today between 3 and 5 p. m. There is no charge for exhibiting or registration. A silver offering is taken, however, to help defray expenses.

Mrs. Perry said ribbons will be presented to the prize exhibits with selection made by popular vote. She noted last night that there is room for additional exhibitors if they wish to display their hobbies, but they must be

Plunges Off Road

Clarence Bloomfield, 23, of Baltimore, sustained head and chest injuries when his car went out of control on U. S. Route 40 and crashed on Town Hill Saturday.

He was admitted to Sacred Heart Hospital where his condition last night was reported as good. State Police said he was apparently traveling at a high rate of speed, failed to make a curve in the road and plunged over a 100 foot embankment.

An Oakland woman, Miss Betty Kitzmiller, sustained a broken right hip and broken pelvis when the car in which she was riding crashed near Oakland.

Tfc. Robert Henline, of the Maryland State Police, who investigated the mishap on Saturday, said the accident occurred when a car driven by Thomas M. Estes, of Alexandria, Va., was traveling at a high rate of speed, went out of control on a curve, and ran off the left side of the highway.

Miss Kitzmiller was thrown from the vehicle. She was taken to Garrett County Memorial Hospital, Oakland.

At least three persons were injured last night in an auto accident along the Pinto Road between Short Gap and Cresaptown.

They were reportedly admitted to local hospitals although full information on them was not learned last night. West Virginia State Police, who investigated, said the mishap occurred on a sharp curve near the Allegany Ballistics Laboratory, and the vehicle reportedly left the highway and plunged down over an embankment.

Surplus Food Distribution Is Underway

Supplies Given To 1,060 Families

During the first week of surplus food distribution for November 1,060 families with 3,372 persons received provisions, according to County Roads Supervisor J. Walker Chapman, who is in charge of the distribution.

Chapman said there was a slight decline in demand from the October totals. Declines were noted at Westernport, Midland and Frostburg and increases at Lonaconing and Barton.

The second week of distribution will begin Monday for the Eckhart area at the Clarysville Fire Hall. Previously this distribution has taken place at the old Eckhart School but this building now is being torn down.

Tuesday the distribution will take place at the Mt. Savage VFW Home, Wednesday at the Cresaptown Fire Hall and Thursday and Friday at the Franklin Street garage here in Cumberland.

Distribution figures for this week:

At Westernport, 118 families and 354 persons; Barton, 188 families and 572 persons; Lonaconing, 281 families and 963 persons; Midland, 149 families and 492 persons; Frostburg, 324 families and 991 persons.

Food distributed:

At Westernport, 506 pounds of butter, 380 pounds of cheese, 234 pounds of milk, 162 pounds of shortening; at Barton, 812 pounds of butter; 607 pounds of cheese; 396 pounds of milk; 282 pounds of shortening.

Lonaconing, 1339 pounds of butter; 973 pounds of cheese; 711 pounds of milk; 507 pounds of shortening; Midland, 685 pounds of butter; 522 pounds of cheese; 365 pounds of milk; 249 pounds of shortening; Frostburg, 1509 pounds of butter; 1114 pounds of cheese, 810 pounds of milk and 567 pounds of shortening.

Three To Judge Democracy Talk Contest Here

Judges in the Voice of Democracy contest now nearing conclusion in the Allegany County high schools were announced yesterday by Donald A. Workman, chairman of the Cumberland Junior Association of Commerce contest committee.

The judges will be R. Bowen Hardesty, president of Frostburg State Teachers College; William Eisenberger, manager of radio station WDYK, and Kirkland S. McKee, dean of Potomac State Junior College.

Final competition for first place in the county contest will be held at 2 p. m. Sunday at WDYK. A transcription of the prize-winning speech will be entered in the state contest.

If the local winner survives the state and national semi-final elimination, he will receive a week-long all-expense trip to Washington to deliver the prize-winning script before a gathering of Washington notables. All four co-equal national winners will be received by the President, members of Congress and other government officials. They will win television receivers, trophies and \$500 scholarship checks.

Attend Hospital Auxiliary Session

Mrs. Joseph Madden, president; Mrs. Harold Peck, first vice president; Mrs. Mortimer Nehring, recording secretary, and Mrs. J. Walter Byer, chairman of Ways and Means Committee of Sacred Heart Hospital Auxiliary, returned from Washington where they attended a luncheon and round-table conference of the Maryland, District of Columbia and Delaware Association of Hospital Auxiliaries.

The meeting was held at the Shoreham Hotel. Sister Angela, administrator of Sacred Heart, also attended.

The Piney Plains PTA will meet today at 7:30 p. m. at the school. A demonstration of the voting machine will be given by William A. Wilson, president of the Board of Election Supervisors.

Principal activities of the boosters club are sponsoring banquets for football, basketball, baseball and track squads. Plans are under way to broaden the program if sufficient interest is shown.

Present membership in the club exceeds 200. Membership is open to all who are interested in the school, and not only to graduates.

A supper planning conference by the Southern States Cooperative will be held today at 7 p. m. in the Algonquin Hotel.

Among the speakers will be A. Houston Booth, district manager, and Grayson D. Solomon, manager of Cumberland branch.

Plans for a "Housewarming" program will be discussed.

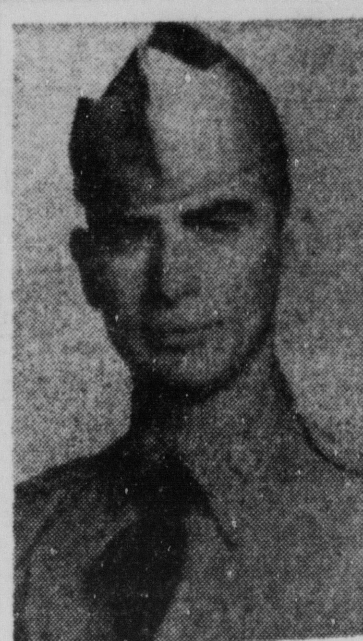

Mrs. Charles Smith will demonstrate a tailored button hole at the meeting of the Pleasant Valley Homemakers Club today at 7:30 p. m. at the home of Mrs. John Raines, Baltimore Pike.

Local Man Promoted By State Police

Capt. Earl W. Reith, recently promoted from the rank of lieutenant by the Department of Maryland State Police, is a native of Cumberland.

Area Crashes Over Weekend Take High Toll

Several Injured; Two Critically

A number of persons were injured, two critically, in a series of highway accidents which occurred over the weekend. Two of the mishaps involved nine-year-old children hit by autos in separate accidents.

Reported in critical condition at Miners Hospital was Mary Cuthbertson, nine-year-old daughter of Mr. and Mrs. Melvin Cuthbertson, of Gilmore, injured when struck by a car driven by Robert Scott Alexander, 33, of Midland.

Tfc. Harry Bosley, of the Maryland State Police, said the youngster was crossing the highway when she was hit by the Alexander car, which was traveling north and attempting to make a right hand turn along Route 36 in Gilmore Saturday.

Boy Is Injured

A nine-year-old Eckhart Mines boy was struck by an automobile yesterday morning on old Route 40 and admitted to Miners Hospital, where his condition last night was reported as good.

Nicholas Edwards, son of Mr. and Mrs. Robert Edwards, will be X-rayed to learn the full extent of his injuries. Attaches said he sustained lacerations about his head, face and body and suffered possible internal injuries.

Trooper J. V. Stakem, of the Maryland State Police, who investigated, said the boy was struck by a car driven by Rosetta Adams, of Eckhart, as she was driving east on old Route 40.

The boy, police said, darted across the highway into the path of the auto and was struck by the right fender. Police said the probable cause was a pedestrian violation.

A mother and her daughter were admitted to Sacred Heart Hospital yesterday at 11:10 a. m. suffering from injuries sustained in a one-car auto mishap on the west slope of Polish Mountain.

Mrs. Nancy Lee Brunner, 31, of LaVale, wife of Tyson Brunner, was driving the car, and was accompanied by her 12-year-old daughter, Ann Lee Brunner. She told hospital attaches the road was slippery and she lost control of the vehicle, causing the mishap.

Mrs. Brunner is being treated for injuries to the left side of her face, mouth and lip. One tooth was knocked out and several others were loosened. Her right jaw was also injured.

Her daughter is being treated for brush burns about the face and a laceration of the right eye. About 3:30 a. m. yesterday, a 22-year-old truck driver, Oscar Weicht, of RD 3, Everett, failed to negotiate a curve about four miles north of Bedford in Bedford Township, left the highway and tore down a pole.

He was reported in "critical" condition last night in Bedford County Memorial Hospital suffering from head injuries. Weicht was driving a pickup truck at the time of the accident.

Two Are Admitted

Two residents of near Paw Paw were admitted to Sacred Heart Hospital last night with injuries sustained in an auto accident on Martins Mountain along Route 40 east of here.

Admitted to the hospital were Walter Leo Condry who suffered torn ligaments and will require surgery. He was suffering from shock.

Eleanor Condry, 26, reportedly sustained a broken left hand and was in severe shock. Condry, according to police, attempted to pass a tractor-trailer and after getting around the vehicle met oncoming traffic.

As the driver went back into his lane of traffic, he apparently lost control of the car which hit an embankment, rolled over on its top and skidded along the highway for about 50 feet.

Trooper Lynwood Clark investigated the mishap which occurred about 7:50 p. m. The condition of the two victims was not learned late last night.

Plunges Off Road

Clarence Bloomfield, 23, of Baltimore, sustained head and chest injuries when his car went out of control on U. S. Route 40 and crashed on Town Hill Saturday.

He was admitted to Sacred Heart Hospital where his condition last night was reported as good. State Police said he was apparently traveling at a high rate of speed, failed to make a curve in the road and plunged over a 100 foot embankment.

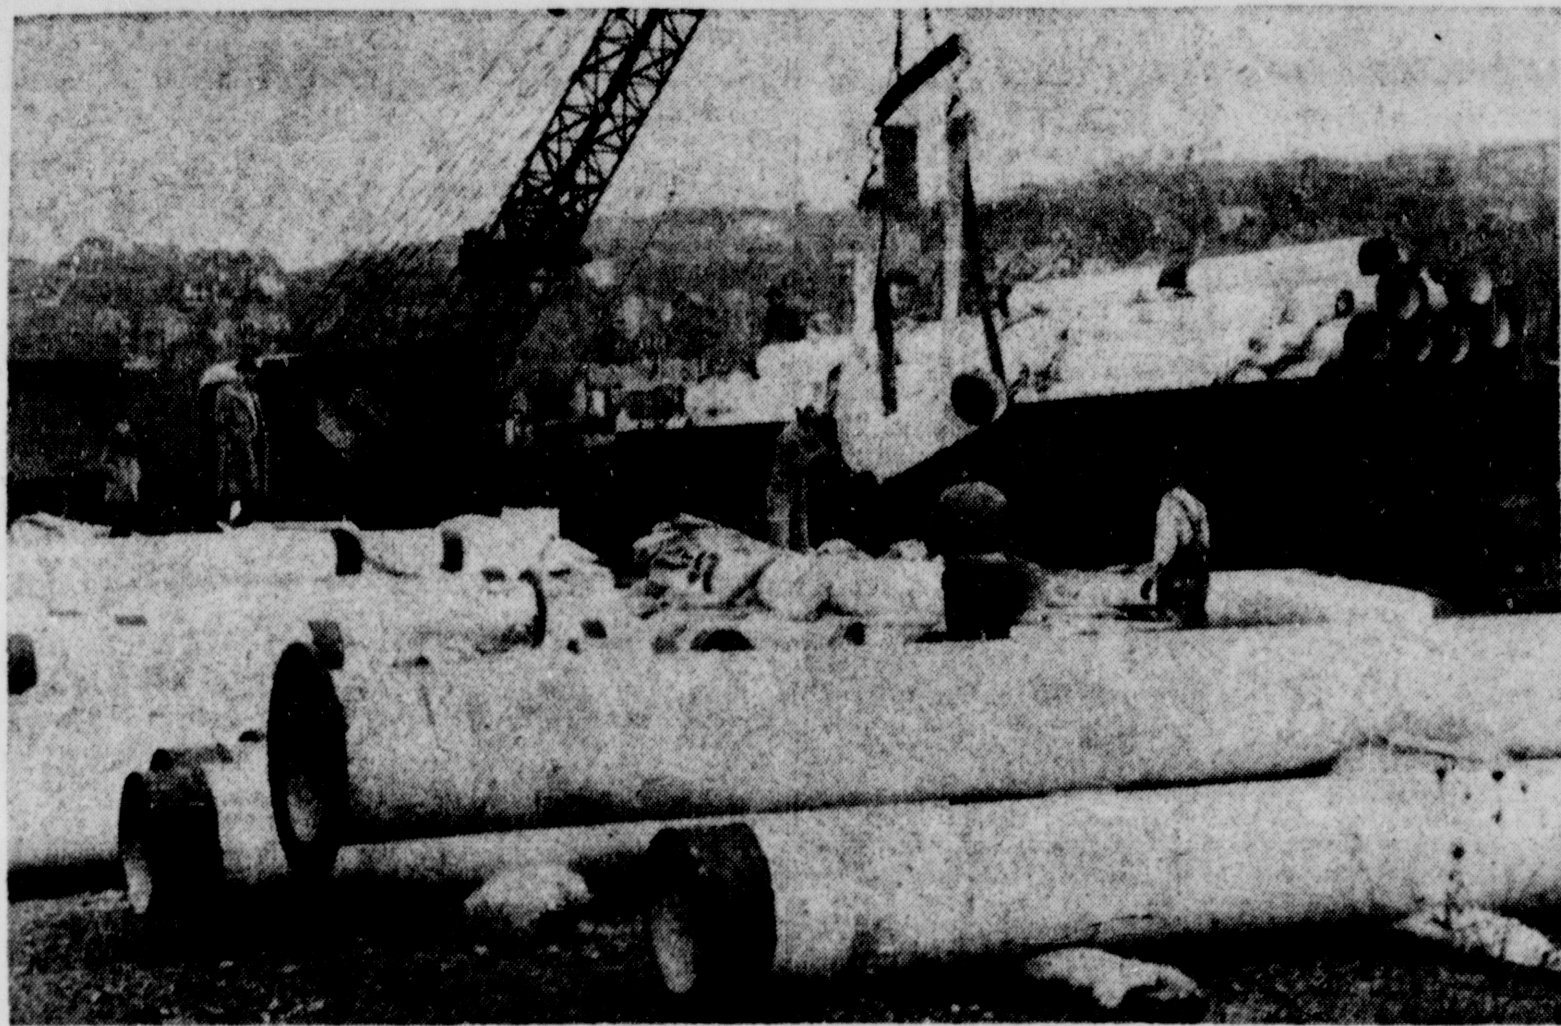

An Oakland woman, Miss Betty Kitzmiller, sustained a broken right hip and broken pelvis when the car in which she was riding crashed near Oakland.

Tfc. Robert Henline, of the Maryland State Police, who investigated the mishap on Saturday, said the accident occurred when a car driven by Thomas M. Estes, of Alexandria, Va., was traveling at a high rate of speed, went out of control on a curve, and ran off the left side of the highway.

Miss Kitzmiller was thrown from the vehicle. She was taken to Garrett County Memorial Hospital, Oakland.

At least three persons were injured last night in an auto accident along the Pinto Road between Short Gap and Cresaptown.

They were reportedly admitted to local hospitals although full information on them was not learned last night. West Virginia State Police, who investigated, said the mishap occurred on a sharp curve near the Allegheny Ballistics Laboratory, and the vehicle reportedly left the highway and plunged down over an embankment.

Pipe Arrives For New Water Line

Big sections of pipe for the water line which will supply the new Pittsburgh Plate Glass Company plant at North Branch are being unloaded and stored in the B & O Rolling Mill yard. The pipe sections are being eased to the storage platforms by workers of the S. T. Brotemarkle Construction Company as C. R. Nuzum, city engineer, (standing beside the crane) inspects the project. Some

27,000 feet of 18 inch steel pipe will be used to lay the line which is estimated to cost about \$400,000. Cumberland Contracting Company crews are clearing the right of way near the plant and installation is slated as soon as an adequate supply of pipe and fittings are on hand. Pipe deliveries are scheduled over the next few weeks.

Start Is Made On Improvement Of Playgrounds

A start was made this summer on recommendations of the City Recreation Board for improvements of city-owned playgrounds.

Robert E. Pence, recreation director, said six-foot chain link fences have been built around Thomas S. Post Playground and Lamont Street playground this summer.

A water line was laid at Post Playground, he added, so the ball field can be watered.

The improvements, he said, were financed by funds from the \$150,000 recreation bond issue of 1947. The Rec. Board, he added, has recommended a number of other improvements to the grounds. These include:

Grading, blacktopping and fencing of tennis courts at North End Playground.

Grading and blacktopping of Lamont Street Playground.

Fencing of Mapleside Playground.

Church Bazar, Fair Open Here Tomorrow

The three-day bazar of St. Patrick's Church and the annual four-day fair at St. Mary's Church open tomorrow.

The bazar will be held in the church social hall with a number of booths being maintained and refreshments sold during the "Three Enchanting Evenings."

Turkey suppers will be served at St. Mary's social hall tomorrow, Wednesday and Thursday. Parking space is available.

Today's Sermonette

But he that lacketh these things is blind, and cannot see afar off. II Peter 1:9.

Today's sermonette is a digest of the sermon preached yesterday at McKendree Methodist Church by the pastor, Rev. George T. C. Bell. The sermon digests are being prepared through the cooperation of the Cumberland Ministerial Association.

Spiritual Shortsightedness

By REV. GEORGE T. C. BELL

The Apostle Peter in writing his epistle did not address it to any one church, nor any special nation of people. But those to whom he

did address his epistle I would say were short-sighted people. They had accepted the Gospel when it was first preached, but they had never taken religion seriously. They had never given diligence to add

virtue to faith, knowledge to virtue, and temperance to knowledge, and patience to temperance, and Godliness to patience, and love to Godliness. There had been no serious striving after sanctification. They had made no attempt to pluck up and root out and cast forth the pleasant vices of the flesh to which they had once been addicted. They had never made an effort at the daily self-denial, and the daily bearing of the cross, and the daily purification.

First, let me speak of shortsightedness and sin. Sin brings with it an immediate gratification. The Bible recognizes this quite frankly. It speaks of the pleasures of sin. Sin at the moment means delight; ultimately it means death. At the moment it promises pleasure; in the long run it means the worm that dieth not, and the fire that is never quenched. And men sin because they blind themselves to all that seems far off and remote, to the regret, and remorse, and shame, and hell that sin entails; and have eyes only for what is nearest—the immediate gratification. The covetous man sees his growing heap of gold, and not his lean and shrivelling soul. The drunkard sees satisfaction for his

appetite, and not the drunkard's grave.

The prodigal sees gratification in his burning lust, and not the prodigal's hell. Shortsightedness is the mother of sin. Men sin because they only see what is near.

Second, let me speak of shortsightedness and worldliness. Really, worldliness is only one form of sin, and on the principle that the greater includes the lesser, all that I have said about sin applies also to worldliness. The reason for the prevalent and well-nigh universal sin of worldliness is spiritual shortsightedness. The prizes that earth offers are palpable, tangible, immediate. They engross men's attention, they absorb their thought, they fill the horizon of their desire. Heaven and the smile of Christ, and the well-done of God, seem remote, far off, uncertain. Money, pleasure, fame, banish them from the mind, and to the acquisition of these things men devote themselves, seeing only what is near. Our safety lies in the long look. Let no one persuade you that the thought of Heaven is the mark of the dreamy and impractical man. Charles Kingsley was one of the most strenuous and practical of men, but Heaven was never absent from his thought. Dr. Dale was the last man in the world against whom a charge of sentimentality could be brought, but how large a place Heaven occupied in his thinking may be gathered by the space allotted to hymns about the better country in the book he compiled. The thought of Heaven is no dreamy impractical thing; it is the means by which we are to emancipate ourselves from slavery to the transient and the perishing.

Third, let me say a word about shortsightedness and despair. We sometimes fall into despondency and something like despair in our Christian service. There come times when we feel like Elijah when under the juniper tree, and we say like him, "Lord, let me die, for I have labored for nought, and in vain."

Annual Hobby Show Opens Tomorrow At Cumberland Free Public Library

The third annual hobby show sponsored by the Business and Professional Women's Club will be held Tuesday, Wednesday and Thursday of this week at the Cumberland Free Public Library.

Special entertainment is being arranged for presentation each evening at 8 o'clock.

Puppets displayed in the exhibit will be used for a puppet show by the pupils of the first and second grades of Carver School, with Mrs. Lelia McIntyre, teacher.

On Wednesday, a ceramics demonstration is to be given and Thursday, Mrs. G. William Bibby will demonstrate the making of masks.

The hobby show the past two years has attracted several dozen exhibitors and considerable interest. This year, 40 displays have been registered and more are expected today.

Mrs. Karl Perry, chairman, has requested that all exhibits be taken to the library today between 3 and 5 p. m. There is no charge for exhibiting or registration. A silver offering is taken, however, to help defray expenses.

Mrs. Perry said ribbons will be presented to the prize exhibits with selection made by popular vote. She noted last night that there is room for additional exhibitors if they wish to display their hobbies, but they must be presented not later than this afternoon.

The exhibits already scheduled include earrings, ming trees, winter bouquets, needlework, rugs, African violets, old dishes, "daisy and button" glassware, teapots, carved woodwork, chair caning, antique candlesticks, leathercraft, novelties, photography, oil paintings, rare books and model airplanes.

Mrs. Kathleen Burke, Miss Margaret Walsh, Miss Mary Walsh, Miss Nan Livingstone, Miss Anna Agnew, Mrs. Marian Heiskell, Mrs. Mary Burke, Mrs. Margaret Bittinger, Mrs. Effie Parsons, Miss Anna Durst, Miss Frances Nisbit, Miss Alpha-Bonita Pritchard, Miss Maude Bean, Miss Mary Jo Logsdon, Miss Kathleen Cumbee, Miss Eudora Jochem, Mrs. Dorothy Ringle, Mrs. Elizabeth Hollis, Mrs. Dessie Williams, Miss Edna Seifert and Mrs. Geradine Pritchard will serve as hostesses.

Ray "Chuck" Coffman, young Keyser businessman and former Army paratrooper, made a sensational parachute jump yesterday, landing as scheduled on the Keyser Airport.

Coffman had promised area citizens a demonstration jump on Friday or Saturday, weather permitting, to advertise the Keyser Trade Fair. However, weather was so bad both days, it was considered impracticable to make the jump.

Yesterday at 4:40 p. m. Coffman, who operates the Keyser Office Supply Company in Keyser, was piloted to about 5,000 feet above the town in a light airplane operated by John Harman, manager of the Keyser C&P Telephone Company office. There was a strong wind over the area, but Coffman made his jump, timing his "free fall" so he could land on the airport. Observers said his estimates and his judgment proved very good, for despite the wind, he landed safely, about where he had indicated he would.

The free demonstration, made a day too late to publicize the fair, attracted several hundred spectators from all parts of the area. Coffman is a licensed jumper and has several score jumps to his credit, both in and out of the service.

Fort Hill Boosters Schedule Meeting

The Fort Hill Boosters Club will meet Wednesday at 7:30 p. m. in the auditorium of B & O Y.M.C.A. according to Earl D. Chaney, president.

All persons interested in planning a banquet for the Fort Hill High football squad and activities for other groups in the school are invited to attend.

Principal activities of the boosters club are sponsoring banquets for football, basketball, baseball and track squads. Plans are under way to broaden the program if sufficient interest is shown.

Present membership in the club exceeds 200. Membership is open to all who are interested in the school, and not only to graduates.

District Manager To Address Meeting

A supper planning conference by the Southern States Cooperative will be held today at 7 p. m. in the Algonquin Hotel.

Among the speakers will be A. Houston Booth, district manager, and Grayson D. Solomon, manager of Cumberland branch.

Plans for a "Housewarming" program will be discussed.

Club Will Meet

Mrs. Charles Smith will demonstrate a tailored button hole at the meeting of the Pleasant Valley Homemakers Club today at 7:30 p. m. at the home of Mrs. John Raines, Baltimore Pike.

Surplus Food Distribution Is Underway

Supplies Given To 1,060 Families

During the first week of surplus food distribution for November 1,060 families with 3,372 persons received provisions, according to County Roads Supervisor J. Walker Chapman, who is in charge of the distribution.

Chapman said there was a slight decline in demand from the October totals. Declines were noted at Westernport, Midland and Frostburg and increases at Lonaconing and Barton.

The second week of distribution will begin Monday for the Eckhart area at the Clarysville Fire Hall. Previously this distribution has taken place at the old Eckhart School but this building now is being torn down.

Tuesday the distribution will take place at the Mt. Savage VFW Home, Wednesday at the Cresaptown Fire Hall and Thursday and Friday at the Franklin Street garage here in Cumberland.

Distribution figures for this week:

At Westernport, 118 families and 354 persons; Barton, 183 families and 572 persons; Lonaconing, 281 families and 963 persons; Midland, 149 families and 492 persons; Frostburg, 324 families and 991 persons.

Food distributed:

At Westernport, 506 pounds of butter, 380 pounds of cheese, 234 pounds of milk, 162 pounds of shortening; at Barton, 812 pounds of butter; 607 pounds of cheese; 396 pounds of milk; 282 pounds of shortening.

Lonaconing, 1339 pounds of butter; 973 pounds of cheese; 711 pounds of milk; 507 pounds of shortening; Midland, 685 pounds of butter; 522 pounds of cheese; 365 pounds of milk; 249 pounds of shortening; Frostburg, 1509 pounds of butter; 1114 pounds of cheese; 810 pounds of milk and 567 pounds of shortening.

Three To Judge Democracy Talk Contest Here

Judges in the Voice of Democracy contest now nearing conclusion in the Allegheny County high schools were announced yesterday by Donald A. Workman, chairman of the Cumberland Junior Association of Commerce contest committee.

The judges will be R. Bowen Hardesty, president of Frostburg State Teachers College; William Eisenberger, manager of radio station WDVK, and Kirkland S. McKee, dean of Potomac State Junior College.

Final competition for first place in the county contest will be held at 2 p. m. Sunday at WDVK. A transcription of the prize-winning script will be entered in the state contest.

If the local winner survives the state and national semi-final elimination, he will receive a week-long all-expense trip to Washington to deliver the prize-winning script before a gathering of Washington notables. All four co-equal national winners will be received by the President, members of Congress and other government officials. They will win television receivers, trophies and \$500 scholarship checks.

Pollock said, "In the last five years, our man-hour productivity has gone up 26 per cent. Wages in the cotton-rayon mills in the South have gone up only 4 per cent. This is not the way to translate high productivity into a better way of life."

Delegates at the conference were from North Carolina, South Carolina, Maryland, Tennessee, Virginia, West Virginia, Georgia, Alabama and Mississippi.

Attend Hospital Auxiliary Session

Mrs. Joseph Madden, president; Mrs. Harold Peck, first vice president; Mrs. Mortimer Nehring, recording secretary, and Mrs. J. Walter Byer, chairman of Ways and Means Committee of Sacred Heart Hospital Auxiliary, returned from Washington where they attended a luncheon and round-table conference of the Maryland, District of Columbia and Delaware Association of Hospital Auxiliaries.

The meeting was held at the Shoreham Hotel, Sister Angela, administrator of Sacred Heart, also attended.

PTA Will Meet

The Piney Plains PTA will meet today at 7:30 p. m. at the school. A demonstration of the voting machine will be given by William A. Wilson, president of the Board of Election Supervisors.

Association To Elect

Officers will be elected at a meeting of the Allegheny County Hairdressers and Cosmetologists today at 8 p. m. in Central Y.M.C.A.

ON FURLOUGH — James L. Burcaw, son of Mr. and Mrs. Charles E. Burcaw, 108 Wempe Drive, is spending a furlough at the home of his parents. He has been stationed at Fort Jackson, S. C. and will report to Fort Lee, Va. where he will enter the Quartermaster School. He enlisted August 22.

Local Man Promoted By State Police

Capt. Earl W. Reith, recently promoted from the rank of lieutenant by the Department of Maryland State Police, is a native of Cumberland.

He was commander of Barracks D. in Benson, and will replace Capt. Paul J. Randall, who has been promoted to the rank of major and will fill the vacancy created by the retirement of Major Ruxton M. Ridgely, executive officer.

Capt. Reith was in Cumberland last week and visited his mother, Mrs. Elizabeth Reith, 229 Columbia Street. While in the city, he dropped in to see his brother, Carl F. Reith, of 339 Bedford Street, who operates a grocery store.

For a while, Capt. Reith was stationed at LaVale barracks but has spent most of his time in service in the Baltimore area.

He attended Allegheny High School and has been a State Police officer for about 24 years. Capt. Reith will be stationed on the Eastern Shore.

He is the father of two sons, William, a student at Mercersburg Academy, and Howard, a student at Bel Air.

Mrs. Litzenburg Dies In Hospital

Mrs. Alice G. Litzenburg, 76, wife of Clarence Litzenburg, 250 National Highway, LaVale, president of the Tri-State Advertising Service, Inc., died yesterday morning in Memorial Hospital, where she had been a patient for about eight weeks.

A native of Bedford, Pa., she was born December 8, 1878, and was a daughter of the late Frank P. and Mary (Earnest) Gilchrist. She and her husband celebrated their golden wedding anniversary on September 4 of this year.

She was a member of Park Place Methodist Church, and since 1932 had been an active member of sewing groups of Memorial Hospital.

Surviving, besides her husband, are a son Tom V. Litzenburg, city; two brothers, Thomas E. Gilchrist Sr., city; Raymond V. Gilchrist, Utica, Mich.; two sisters, Mrs. May Buley, Baltimore; Miss Annie M. Gilchrist, Bedford, and two grandsons, Tom V. Litzenburg, Jr., student at Washington and Lee University, Lexington, Va., and C. David Litzenburg, student at Staunton Military Academy, Staunton, Va.

The body will be at the residence after 1 p. m. today. A funeral service will be conducted tomorrow at 2 p. m. at the home with Rev. Lorne W. Burton, of Hancock Methodist Church, former minister at Park Place Methodist Church, officiating.

Interment will be in Rose Hill Cemetery. The family requests that flowers be omitted.

Association To Elect

Officers will be elected at a meeting of the Allegheny County Hairdressers and Cosmetologists today at 8 p. m. in Central Y.M.C.A.

Births

Mr. and Mrs. Thomas Farrell, Frederick, announce the birth of a son Saturday. The mother is the former Miss Sarah McDermott, daughter of Mr. and Mrs. C. William McDermott Sr., 850 Gephart Drive. The paternal grandparents are Mr. and Mrs. Raymond T. Farrell, 420 North Mechanic Street.

Sacred Heart Hospital

Mr. and Mrs. James Coyle, 627 Elwood Street, a daughter yesterday.

Births

Mr. and Mrs. Harry E. Diehl, Hyattsville, announce the birth of a daughter Friday at Garfield Hospital, Washington. The mother is the former Miss Charlotte Barringer, daughter of Mr. and Mrs. Charles Barringer, 420 Louisiana Avenue. The paternal grandparents are Mr. and Mrs. Glenn Diehl, 510 Louisiana Avenue.

Memorial Hospital

Mr. and Mrs. Donald Grayson Jr., Fort Ashby, a daughter Saturday.

Mr. and Mrs. Charles E. O'Baker, Barreille, a son Saturday.

Mr. and Mrs. Darwin Blizard, 420 Walnut Street, a son Saturday.

Mr. and Mrs. Raymond Norris, Wellersburg, a son Friday.

To Plan Yule Dinner

The Opti-Mrs. Club will meet Wednesday at 8 p. m. at the Greene State Tea Room. Plans will be formulated for a Christmas dinner and a white elephant sale is to be held.

Only 37,671 Now Registered For Vote In County

2,876 Dropped During October

Allegheny County registered voters dropped from 40,547 to 37,671 as of November 1, according to William A. Wilson, chairman of the County Board of Election Supervisors.

That drop of 2,876 was caused primarily by the elimination from the voting records of the names of all persons who had failed to vote in a county-wide election since November 1950.

Although more Republicans were stricken from the poll books than Democrats, the percentage of registered Republicans on the records went up from 56.4 per cent to 56.6 per cent between October 1 and November 1. Correspondingly, the Democrats went down from 42.5 per cent to 42.7 per cent. The other small fraction includes independents, Socialists and members of other minor parties.

As of November 1 there were 37,277 white persons registered and 394 Negroes.

The 21,320 Republicans on the books include 10,860 men and 10,460
